Time: 11.45 A.M. to 12.45 P.M.

Resource Person : Mr.Nagaraju G
Manager – Business Development
LEAP – GEEBEE Education Bangalore

Programme Objective

Career counseling is a process that helps individuals understand their strengths, interests, values, and skills in order to make informed decisions about their career paths. Overseas education in **Biomedical Engineering (BME)** offers a global perspective, advanced technology exposure, and opportunities for high-quality research.

Program Outcome

1. **Understanding Career Exploration**
   - Definition and importance of career exploration.
   - The role of self-awareness (skills, interests, values) in career choices
   - Exploring career options in different industries and sectors.

2. **The Global Perspective**
   - How globalization has expanded career opportunities
   - High-demand careers in a globalized world (STEM, healthcare, AI, business, etc.).
   - The impact of remote work and digital transformation.

3. Skill Development for a Global Career

- Essential skills: communication, adaptability, cross-cultural competence
- Importance of language learning and cultural intelligence.
- Technical skills and certifications for international job markets.

4. Education and Networking

- Choosing the right academic and training programs
- Importance of internships, mentorships, and global networking.
- Leveraging online platforms (LinkedIn, Coursera, Udemy) for career growth.

5. Overcoming Challenges in Global Careers

- Dealing with visa regulations and work permits.
- Handling cultural adaptation and workplace diversity.
- Managing competition and standing out in the job market.

6. Action Plan for Achieving Your Global Dream

- Setting short-term and long-term career goals.
- Creating a personal brand and online presence.
- Seeking international scholarships, exchange programs, and job opportunities..

Participants: 4th & 6th semester students of BME Department + 2 faculties
