# Institutional Innovation Council Workshop

## on

## "Raising Capital and Managing Finance for Startups"

**Topic:** Institutional Innovation Council Workshop on Raising Capital and Managing Finance for Startups

**Date:** 20.03.2025 (Thursday)

**Time:** 10.30 A.M. to 11.30 A.M.

**Resource Person : Mr.Lokesh B S**
**Mentor –IIC, RRGI**
**Founder and Start Up Consultant,**
**Agasthiya Academy - Bangalore**

## Programme Objective

The **IIC Workshop on Raising Capital and Managing Finance for Startups** aims to equip entrepreneurs with essential skills in securing funding and managing their finances effectively. Participants will gain knowledge of various funding sources, such as venture capital, angel investors, and government schemes. They will also learn how to create robust financial plans, manage cash flow, and pitch to investors. The workshop emphasizes understanding legal frameworks and risk management strategies to ensure sustainable business growth. Overall, it prepares startups to navigate the financial landscape and build solid foundations for long-term success.

## Program Outcome

The **Institutional Innovation Council (IIC) Workshop on Raising Capital and Managing Finance for Startups** is designed to equip aspiring entrepreneurs and startups with essential knowledge and tools to navigate the financial challenges they face during their growth phases. The key outcomes of the workshop generally include:

1. **Understanding Funding Options**: Participants will gain insights into various funding sources such as angel investors, venture capital, crowdfunding, and government grants. They'll learn how to evaluate which option best suits their startup's needs at different stages.
2. **Business Planning and Financial Management**: Entrepreneurs will understand how to create solid financial plans, budget effectively, and forecast revenue and expenses. This will help them present a clear financial picture to potential investors.
3. **Investor Pitch Preparation**: The workshop will help startups understand how to craft compelling investor pitches. Entrepreneurs will learn what investors look for in a pitch and how to communicate their business potential effectively.
4. **Legal and Regulatory Insights**: Startups will receive a basic understanding of the legal aspects of raising capital, including equity sharing, valuations, and the legal obligations tied to funding agreements.
5. **Risk Management and Sustainability**: Participants will learn strategies for managing financial risks and building sustainable business models that can thrive even in uncertain economic conditions.
6. **Networking and Collaboration**: The workshop provides an opportunity for participants to connect with industry experts, potential investors, and other startups, fostering collaborations that can lead to financial and business growth.

**Participants:** **4th & 6th students of BME Department**

**Event Co-ordinator:**

**Mrs.Nagashree Pavan, Assistant Professor – BME**
