## Report on Event

<b>Name of the Event</b>	:	One Day Workshop on “Cross Platform Mobile App Development”
<b>Date &amp; Time</b>	:	03.10.2016 & 09.30 AM to 4.30 PM
<b>Venue</b>	:	Seminar Hall 1 & Smart Class Room
<b>No.of Participants</b>	:	60 Students + 20 Staff
<b>Resource Person</b>	:	Hanumantha Reddy G S, Technical Lead, Harman International (Microsoft Sector), Bengaluru.

## About the Workshop on Cross Platform Mobile App Development

The one day workshop titled “Cross Platform Mobile App Development” was organized to enrich the knowledge of CSE students to get exposure on Mobile App development with industrial practice.

The program was started at 9.30 AM with formal inaugural function with lighting the lamp ceremony, HOD/CSE welcomed the gathering, Principal ACSCE addressed about the importance of this kind of events to the engineering students, Resource person addressed about recent day projects in the industry and present scenarios of industrial developments and the requirements in brief. The inaugural function ends with vote of thanks by the convener of the one day workshop.

The workshop session started at 10.00 AM and the resource person Mr. Hanumantha Reddy G S handled the interactive and hands on session to the students. The resource person shared the information and hands on training in the following areas.

- ✓ Mobile App development
- ✓ Different types of mobile application in the market  
(iOS App, Android App, Windows App)
- ✓ Xamarin Technology
- ✓ Web App Development

The workshop session ends at 4.30 PM with feedback & group photo. At the end of session students were expressed very positively that it was a useful event to understand the knowledge on how to develop Mobile App, Where to host Mobile App, How to Develop Web App and additional knowledge on software platforms involved in this development environment.
