

## Department activities

Year	Name of the workshop/ seminar/ conference	Date From – To
<b>2016 ODD semester</b>		
2016	workshop on Programma structures in Lab view	25/10/2016
2016	workshop on Design and Simulation of Software Defined Radio(SDR)	22/8/22016
2016	workshop on Design and Fabriation of PCB	22/9/2016
2016	seminar on Enterprise Beacons solutions	1-10-20167
2016	seminar on Neurolinguistic Technique for Manifesting your dream	29/9/2016
2016	seminar on IOT and its applications	10-03-2016
2016	seminar on Arm 7 Processor	10-03-2016
2016	seminar on Nano Technology and its Applications	18/8/2016
<b>2017 Even semester</b>		
2017	workshop on Embedded C Programming	11.05.2017
2017	workshop on Hands on training on Basics of Raspberry Pi	31.03.2017 to 01.04.2017
2017	seminar on IOT and Health care	11.04.2017
2017	seminar on Lab on Chip based Optical sensor	20.03.2017
2017	seminar on 5G Technology	20.02.2017
2017	seminar on Healing through alternate medicines	18.01.2017
<b>2017 ODD semester</b>		
2017	seminar on Recent Trends and Career Awareness Program in Embedded Systems	22/8/2017
2017	seminar on Industrial Automation	23/8/2017
2017	seminar on Global opportunities	4/9/2017
2017	seminar on Automation and Mechatronics	22/9/2017
2017	seminar on Recent Trends in Electronics	23/9/2017
2017	seminar on UI/UX Studio	25/9/2017
2017	seminar on Recent Technologies in Electronics by Media Tek	6/10/2017
2017	seminar on carrier guidance and higher studies in abroad	24/10/2017
2017	seminar on Art of Living	18/11/2017
2017	symposium "ACSTRONIX-17"	10/11/2017
<b>2018 EVEN semester</b>		
2018	2 daysworkshop on Software Testing	11/4/2018 to 12/4/2018
2018	Uniqval solutions	6/2/2018
2018	Real life needs Real Education	3/4/2018
2018	Modern Day Automobiles-Electro Mechatronics	10/4/2018
2018	Skill Development Society	5/5/2018
2018	Symposium – ACSTRONIX 2018	
<b>2018 ODD semester</b>		
2018	Two day workshop Programming with C	27/9/2018 to 28/9/2018
2018	Two day workshop on LabVIEW	27/9/2018 to 28/9/2018
2018	one day workshop on vlsi	29/9/2018
2018	seminar on “Partnership with Intel Career Breakthrough Program”	6/8/2018
2018	seminar on Motivational Talk	7/8/2018
2018	seminar on Importance of Machine Learning & Artificial Intelligence	7/8/2018
2018	seminar on Project & Placement orientation by Alumnus	11/8/2018
2018	seminar on Global education awareness program	16/8/2018
2018	INTEL’s 5day Workshop on Internet of Things	17/11/2018

2018	UC Berkeley 5 days training session on India Smart city micro	11-02-2019
<b>2019 even semester</b>	accelerator programme	
2019	workshop on Programming with C++	29/04/2019 & 30/04/2019
2019	Seminar on Awareness Program on Higher Education and Career Opportunities	11/2/2019
2019	Seminar on Formula for efficient work	2/4/2019
2019	Seminar on Solar Panel Installation	15/4/2019
2019	Seminar on IoT with Sensors	16/4/2019
2019	National conference on "Signal Processing, Bio medical and Communication Networks" 2019	21/5/2019
2019	Project exhibition " Anveshana -2k19"	8/5/2019
<b>2019 ODD semester</b>		
2019	Seminar on Robotics & IoT	20/8/2019
2019	Seminar on Soft Skill Development	21/8/2019
2019	Seminar on VLSI Technology	24/8/2019
2019	Seminar on Campus to Corporate	13/9/2019
2019	Seminar on Mobile Applications	1/10/2019
2019	Seminar on AI & Application in Modern Industries	3/10/2019
<b>2020 odd semester</b>		
2020	Seminar on National Education policy	21/9/2020
2020	Seminar on National Education policy	22/9/2020
2020	Seminar on Introduction to Industry 4.0 & its human application	9/11/2020
2020	Seminar on Digital Transformation & its Impact in industries	9/11/2020
2020	Seminar on Opportunities for ECE students in Pharma & Health Care	10/11/2020
2020	Seminar on Introduction to Data Validation & Analytics	12/11/2020
2020	Seminar on Introduction to IOT in Manufacturing Industries	13/11/2020
2020	Seminar on Recent trends in AR & BR in Manufacturing Industries	14/11/2020
<b>2021 even semester</b>		
2021	WEBINAR ON MAGIC OF SWITCH WORDS AND HEALING	18/5/2021
2021	WEBINAR ON E- MOBILITY	3/6/2021
2021	WEBINAR ON 3D PRINTING TECHNOLOGY	5/6/2021
2021	WEBINAR ON CAMPUS TO CORPORATE	5/6/2021
2021	workshop on Arduino Basics 1	7/3/21
2021	WEBINAR ON CAREER PLANNING FOR FUTURE ENGINEERS	11/6/2021
2021	seminar on Tackling Anxiety in the Context of Impulsive Adaptation to Virtual Classroom”	18/5/2020
