INTRODUCTION

Rapid development of technical world is getting highly evolutionary and competitive. There are lot of technologies and fields which are coming up into picture. In the changing scenario, it is necessary that one should be familiar with recent technologies and fields. We are organizing a one day national conference "Signal Processing, Computing and Networks (SPCN' 15)" in bio informatics, computer science and electronics and communication engineering. The conference is primarily open to Research Scholars, Faculties, and Post Graduates of Academic Institutions/R&D sectors.

ABOUT THE INSTITUTION

ACS College of Engineering (ACSCE) established in 2009, under the banner of Moogambikai Educational and Charitable Trust which was founded by Mr.A.C.Shanmugam. ACSCE situated on National Highway of Mysore Road, 03 minutes drive from Nice Road Junction, Bangalore. The campus is spread over an area of 26 acres. The college is located at a distance of 25 kms from Bengaluru City Railway Station and 55 kms from Bengaluru International Airport.

ACSCE is approved by AICTE and Government of Karnataka, and is affiliated to VTU Belgaum. This college offers B.E in Aeronautical Engineering, Bio-Medical Engineering, Civil Engineering, Computer Science Engineering, Electronics and Communication Engineering, Electrical and Electronics Engineering, Mechanical Engineering. This college also offers M.Tech in Software engineering, Digital Electronics and Communication Systems, Structure Engineering, Product Design and Manufacturing.

PAPER SUBMISSION

SAVE PAPER AND ENVIRONMENT Use email for all the communications

Authors are invited to submit original research paper in IEEE format by email to the given below. IEEE Two Column Format (Use this Link) www.ieee.org/documents/MSW_A4_format.doc

CALL FOR PAPERS

Authors are solicited to contribute to the conference by submitting articles that illustrate research results, projects, surveying works and industrial experiences. Topics of interest include, but are not limited to, the following:

- * Cloud Computing and Networking
- * Multimedia Computing and Communications
- * Green Computing
- * Mobile Computing and Vehicle Communications
- * Internet Services and Applications
- * Optical and Grid Networking
- * Network Algorithms and Performance Evaluation
- * Wireless Ad Hoc and Sensor Networks
- * Communications and Information Security
- * Signal Processing for Communications
- * Image Processing & Bio Medical image processing
- * Optical Communication Networks

BEST PAPER AWARD WILL BE GIVEN AS CASH PRIZE AND CERTIFICATE

JOURNAL PUBLICATIONS

- * Conference Proceeding will be published by a Peer Review Journal publishers
- * Selected paper will be published in Scopus Indexed Peer Review Journals.
