### Event with Photographs

**About the Event:**

NALTECH Private Limited was set up in 1993 as the business front of the National Aerospace Laboratories (NAL). NALTECH has been given the mandate to Commercialize and Market the technologies developed from time to time by NAL and assist NAL in every possible and conceivable manner to make use of the technologies developed. The event was conducted on the recent development in aerospace engineering Design and Development specially concentrated on the young minds of ACSCE. The main content of the program was on Career opportunities in Aerospace Industries which was held successfully by ACSCE .Inspection of labs, Equipments and MoU sign up discussed in the event.
