

ACS COLLEGE OF ENGINEERING

DEPARTMENT OF BIOMEDICAL ENGINEERING

National conference on “BIOMEDICAL SIGNAL AND IMAGE PROCESSING”(NCBSI-2016) on 11th November

The National level conference on “Biomedical signal and Image Processing”(NCBSI-2016) organized by the department was successfully conducted on 11/11/2016. National Level conferences give a common platform for the academicians researchers and persons from industries to share their findings and experiences ;this would be highly beneficial for any academic institutions to bridge the gap between the institute and the industry and also to contribute to technological advancements. The conference was inaugurated by Principal Dr. M S Murali. The session chairs for conference were Dr.Usha S HOD,Dept of CSE RRCE ,Dr.Malathy M Associate Professor Dept.of CSE,RRCE and Dr.C S Pillai Professor Dept. of CSE ACSCE . The students from other colleges, staff of CSE, EEE OF ACSCE attended the conference. Three papers got best paper award.
