#### **“ACSCE Infrastructure”**

ACS College of Engineering, an institution of academic excellence was established in the year 2009 with a cherished desire to serve the cause of humanity through education. ACSCE equips its students not only with the technical knowledge to enable them to meet the challenges of global standards but also integrates value education, environmental awareness and communication skills into its curriculum to mould the students as responsible citizens.

ACSCE distinguishes itself from peer institutions by offering an affordable, highly personalized, student's centered education to diverse students. ACSCE has state of the art infrastructure, creating an environment for progressive learning and development. We have well equipped classrooms and laboratories to cater for the academic needs of the students. Eight departments of ACSCE are VTU recognized research centres. All class rooms and labs /Seminar halls with ICT facilities. In labs and class rooms LAN facilities are available. All departments are provided with portable LCD projectors. With inputs from motivated and qualified faculty. Our students display consistently high academic performance which has helped us to reach pioneer engineering colleges in Bangalore, Karnataka. It is one of the best engineering colleges in Karnataka which provides unmatched learning experience to students.
