NSS PLANTATION CAMP REPORT

Title of the Event: NSS Plantation Camp

Event Date : 04/09/2018

Time: 10.30 AM-3.00 PM

Venue: ACSCE College Campus

Report:

The NSS Unit of ACSCE has conducted a Plantation Camp on 04/09/2018 in ACSCE College Campus and ACS College road. The Camp was started at 10.30 AM in the morning. The Principal Dr. M.S. Murali inaugurated the camp by planting and watering a plant. After that he addressed all the volunteers about the importance and benefit of this type of camps. Dr. M.S. Shivakumar, NSS Programme Coordinator & HOD Dept. of Chemistry, motivated the students and volunteers. The faculty members like Dr. Pradeepa S. , Mr. Raghavendra K, Mr. Ranganath.J and Mr. Devaraja(Gardner of RRGI) have very actively participated & involved in the Camp throughout the day. All HODs and faculty members have also encouraged us during the camp. More importantly, more than 100 NSS volunteers and First year students from various branches of ACSCE have attended & carried the camp very enthusiastically with lot of interest. During the camp we have successfully planted around 110 plants. At the end of the day, Our management (RRGI), encouraged and appreciated our work. The NSS unit of ACSCE thanks the management for their continuous support and appreciation for all our activities. Finally, the above mentioned camp was also appreciated by the localities and the passengers who are travelling in that road during the camp.
