To

NAME : D S RIYA

USN : 1AH19AS011

BATCH: 2019-2023

Dear D S RIYA,

This letter serves as confirmation of your successful completion of your internship at **IRNSS DATA CENTER, ACSCE, Bangalore**. During your time with us, you demonstrated a high level of commitment, enthusiasm, and diligence in your work, and you made a valuable contribution to our team.

Your internship lasted from September'22 to April'23, during which time you worked 5 hours per week. You were responsible for AI/ML model construction for Ionospheric TEC prediction, and you consistently met or exceeded our expectations in carrying out these tasks.

We are confident that you have gained valuable experience and skills during your time with us, and we wish you all the best as you continue your academic and professional pursuits. Please know that we are proud to have played a role in your education and development.

We hereby certify that **D S RIYA (1AH19AS011)** has successfully completed their internship with **IRNSS DATA CENTER, ACSCE, Bangalore**, and we recommend them for any future endeavours they may undertake.

Sincerely,

Dr. R. Mukesh

Dear SOWMYA GS,

This letter serves as confirmation of your successful completion of your internship at **IRNSS DATA CENTER, ACSCE, Bangalore**. During your time with us, you demonstrated a high level of commitment, enthusiasm, and diligence in your work, and you made a valuable contribution to our team.

Your internship lasted from September'22 to April'23, during which time you worked 5 hours per week. You were responsible for AI/ML model construction for Ionospheric TEC prediction, and you consistently met or exceeded our expectations in carrying out these tasks.

We are confident that you have gained valuable experience and skills during your time with us, and we wish you all the best as you continue your academic and professional pursuits. Please know that we are proud to have played a role in your education and development.

Sincerely,

Dr. R. Mukesh

TO WHOMSOEVER IT MAY CONCERN

This is a brief description of the work carried out by **Mr. Sumukh Kumar K (1AH19AS041)** belonging to Department of Aerospace Engineering, ACS College of Engineering, Bangalore 560074, during his internship from 19 September 2022 to 18 October 2022 at LCA AF Mk2 Department of Aeronautical Development Agency (ADA), Bangalore.

His primary tasks involved a basic understanding of the role of Aeronautical Development Agency in Indian Defence Research along with the Tejas Aircraft Design evolution and a basic understanding of the use of applied Computational Fluid Dynamics (CFD) in simulating basic aerodynamic flows. During his internship, his work included:

- Comparison of main design features of various aircraft programs at ADA
- Understanding of the use of CFD and its main advantages for studying Aerodynamics flows
- Learning the basics of GMSH tool for grid generation over an airfoil
- Learning the basics of SU2 CFD solver and running the mesh generated with GMSH

During his tenure with ADA, he executed his tasks with sincerity and diligence & always maintained a professional and courteous attitude with team & colleagues.

I wish him success in his future endeavors.
