CTDS, organized a one day “**Partners meet**” on 12th OCT 2019 at Kadamba Hall RRMCH, the key objective of the meet is to create a platform for the industry leaders, students and the teaching fraternity to meet and discuss mutually. The interactions are focused on the on-going trends in industry, student innovations and opportunities and areas where the students and industries can jointly work together for mutual benefits. This would result in establishing productive relationships and share expertise and talents with in them. Representatives from more than 50 companies CEO’s, Directors, Industry Representatives from various Companies and various domains had participated in this meet and contribute towards this initiative. 120 Students Participated From RRCE and ACS College of engineering, 60 Faculties had participated from RRCE and ACS College of engineering.

After Invocation, The program Commenced with welcome address by Dr. R Balakrishna, Principal, RRCE. Sri. Kalyanam Kannan, Director, CTDS Highlighted the significance of this event and advised to the participated students to make use of this opportunity and to have interaction for their betterment in terms of internship, projects, placements & start-ups.

Addressing the gathering, Dr. A.C.Shanmugam, Chairman, RRGi informed that he was very much delighted to have the presence of number of CEO’s/ Industry Representatives besides chief guest Dr. Nagahnumaiah, Director, CMTI, Bangalore, Guest of Honors Padma Shri. R. M. Vasagam, Former Vice Chancellor, Anna University, Chennai and Dr. P. Theerthamalai , Former Technology Director , Aerodynamics, DRDL, Hyderabad and other Management representatives along with RRCE and ACSCE Faculty Members. Further he said that Bengaluru has a unique distinction of having more engineering colleges as well as software companies and described to the global level as one of the software and silicon city. In this opinion, only reaching in the class room will not be equal to the practical training and exposure to industry and as such, this platform would assist the prospective engineering students to plan their future life. He said that the students to have an open mind always learn from every one. Waiting to win is common, but working to win is genius. He felicitated to all Guest, and Company Partners present at the Partners meet.

An open panel interactive session was arranged for students and company partners where the students can ask a question to the company partners. The Students gained more useful information in terms of internship, projects, placement, startups, entrepreneur etc.

Program ended with vote of thanks by Dr. M.S. Murali principal of ACS college of engineering, Group photo and Lunch
