# REVISION OF MODEL CURRICULUM

Realising the need to revise and update the Curriculum of UG and PG Courses in Engineering education, AICTE has prepared outcome based model curriculum for Undergraduate and Post Graduate courses in Engineering and management programmes. The salient features of the model curriculum is that the number of credits has been reduced to **160** from **220** and it is in line with the requirements of industry **4.0**.

Model Curriculum for Diploma Courses in Engineering & technology for **7** Disciplines have also been launched.

## MODEL CURRICULUM LAUNCHED SO FAR

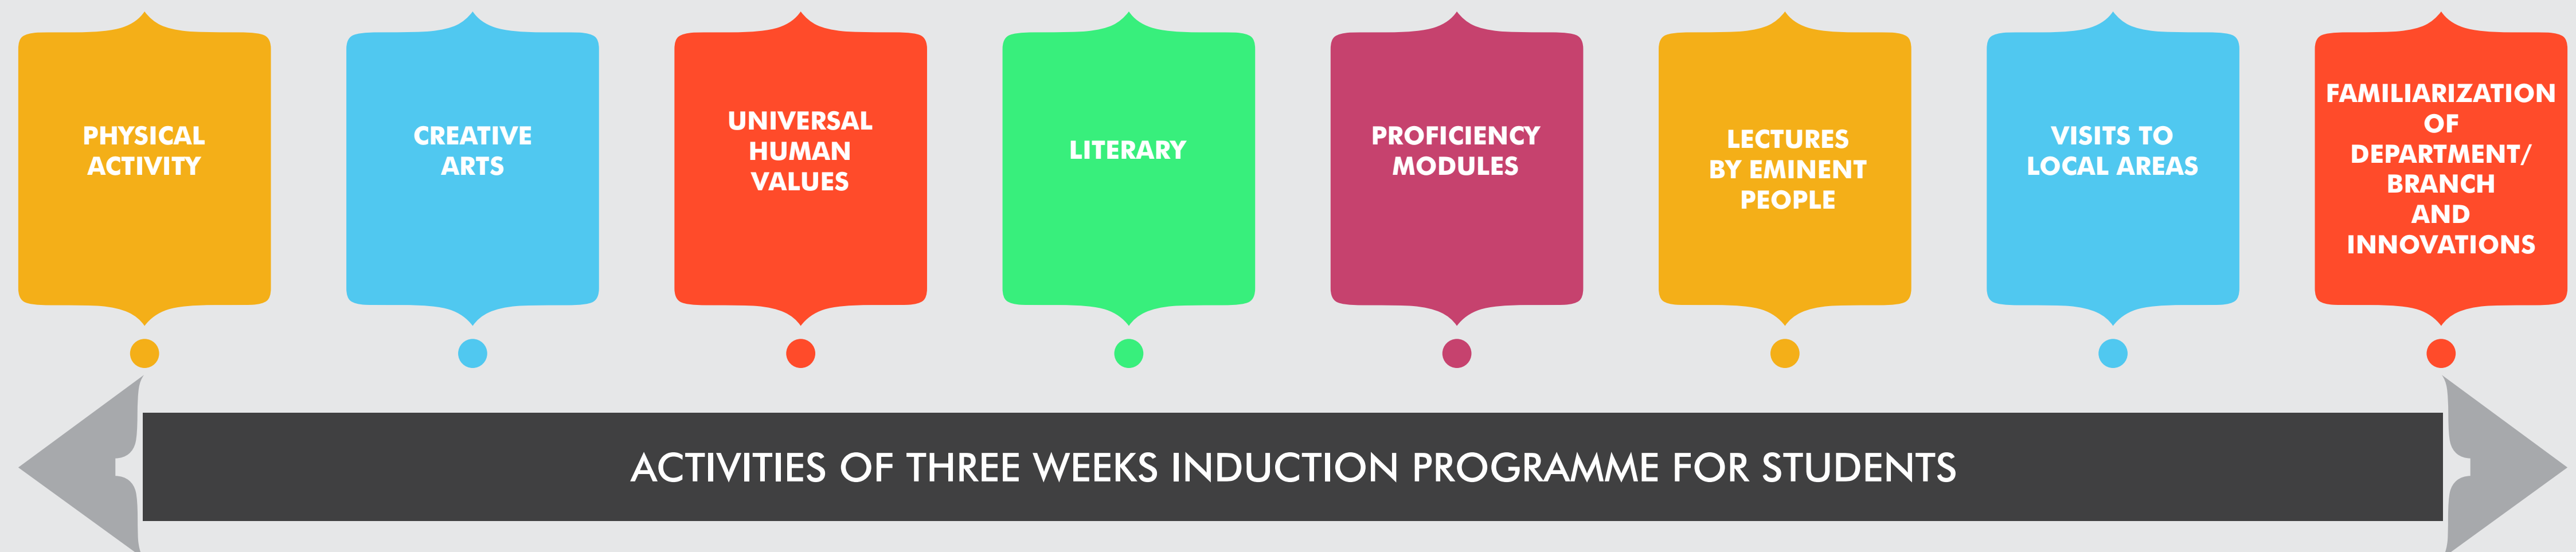

# INDUCTION PROGRAM FOR STUDENTS

The mandatory Induction Program of three weeks, is aimed to help the new students in building social character, leadership qualities, self confidence, creativity and appreciation for mankind and nature at large. Given right at the start of first year, the program gives broader foundational experience for life long success. This program also aims to reinforce the fundamental concepts and the required language skills required for the technical education.

In order to implement the program, AICTE organised Faculty Development Programs of **3 days (61 programs)** & **7 days (19 programs)** throughout the country where total **8000+** faculty members have been trained. More such FDPs are to be conducted under outreach.

# EXAMINATION REFORMS

Globalisation of the world economy and higher education are driving profound changes in engineering education system. Future engineering graduates not only need to be knowledgeable in his/her own discipline, but also need a new set of soft, professional skills and competencies. It was felt that the final examinations being conducted by the institutions should test the understanding of the concepts and the skills – rather than the subject knowledge of the students. Accordingly, AICTE has finalized the Examination Reforms to be adopted by the Institutions. In order to train the faculty members with the Examination Reforms, 16 workshops have been conducted in which 1983 faculty members have been trained so far. The trained faculty are expected further to train other faculty members of their institutions.

# MANDATORY INTERNSHIPS

In order to ensure that technical students get exposure to the industrial environment and current technologies relevant to their subjects and opportunities to learn, understand and sharpen real-time technical and managerial skills, AICTE has made Internships mandatory. The internship experience will augment outcome based learning process and inculcate various attributes in a student in line with the graduate attributes.

To facilitate internships AICTE has signed MoUs with various organisations, which are available on AICTE website [www.aicte-india.org](http://www.aicte-india.org).

AICTE has also asked institutions to sign MoUs with at least 5 Industries to facilitate Internships to its students.

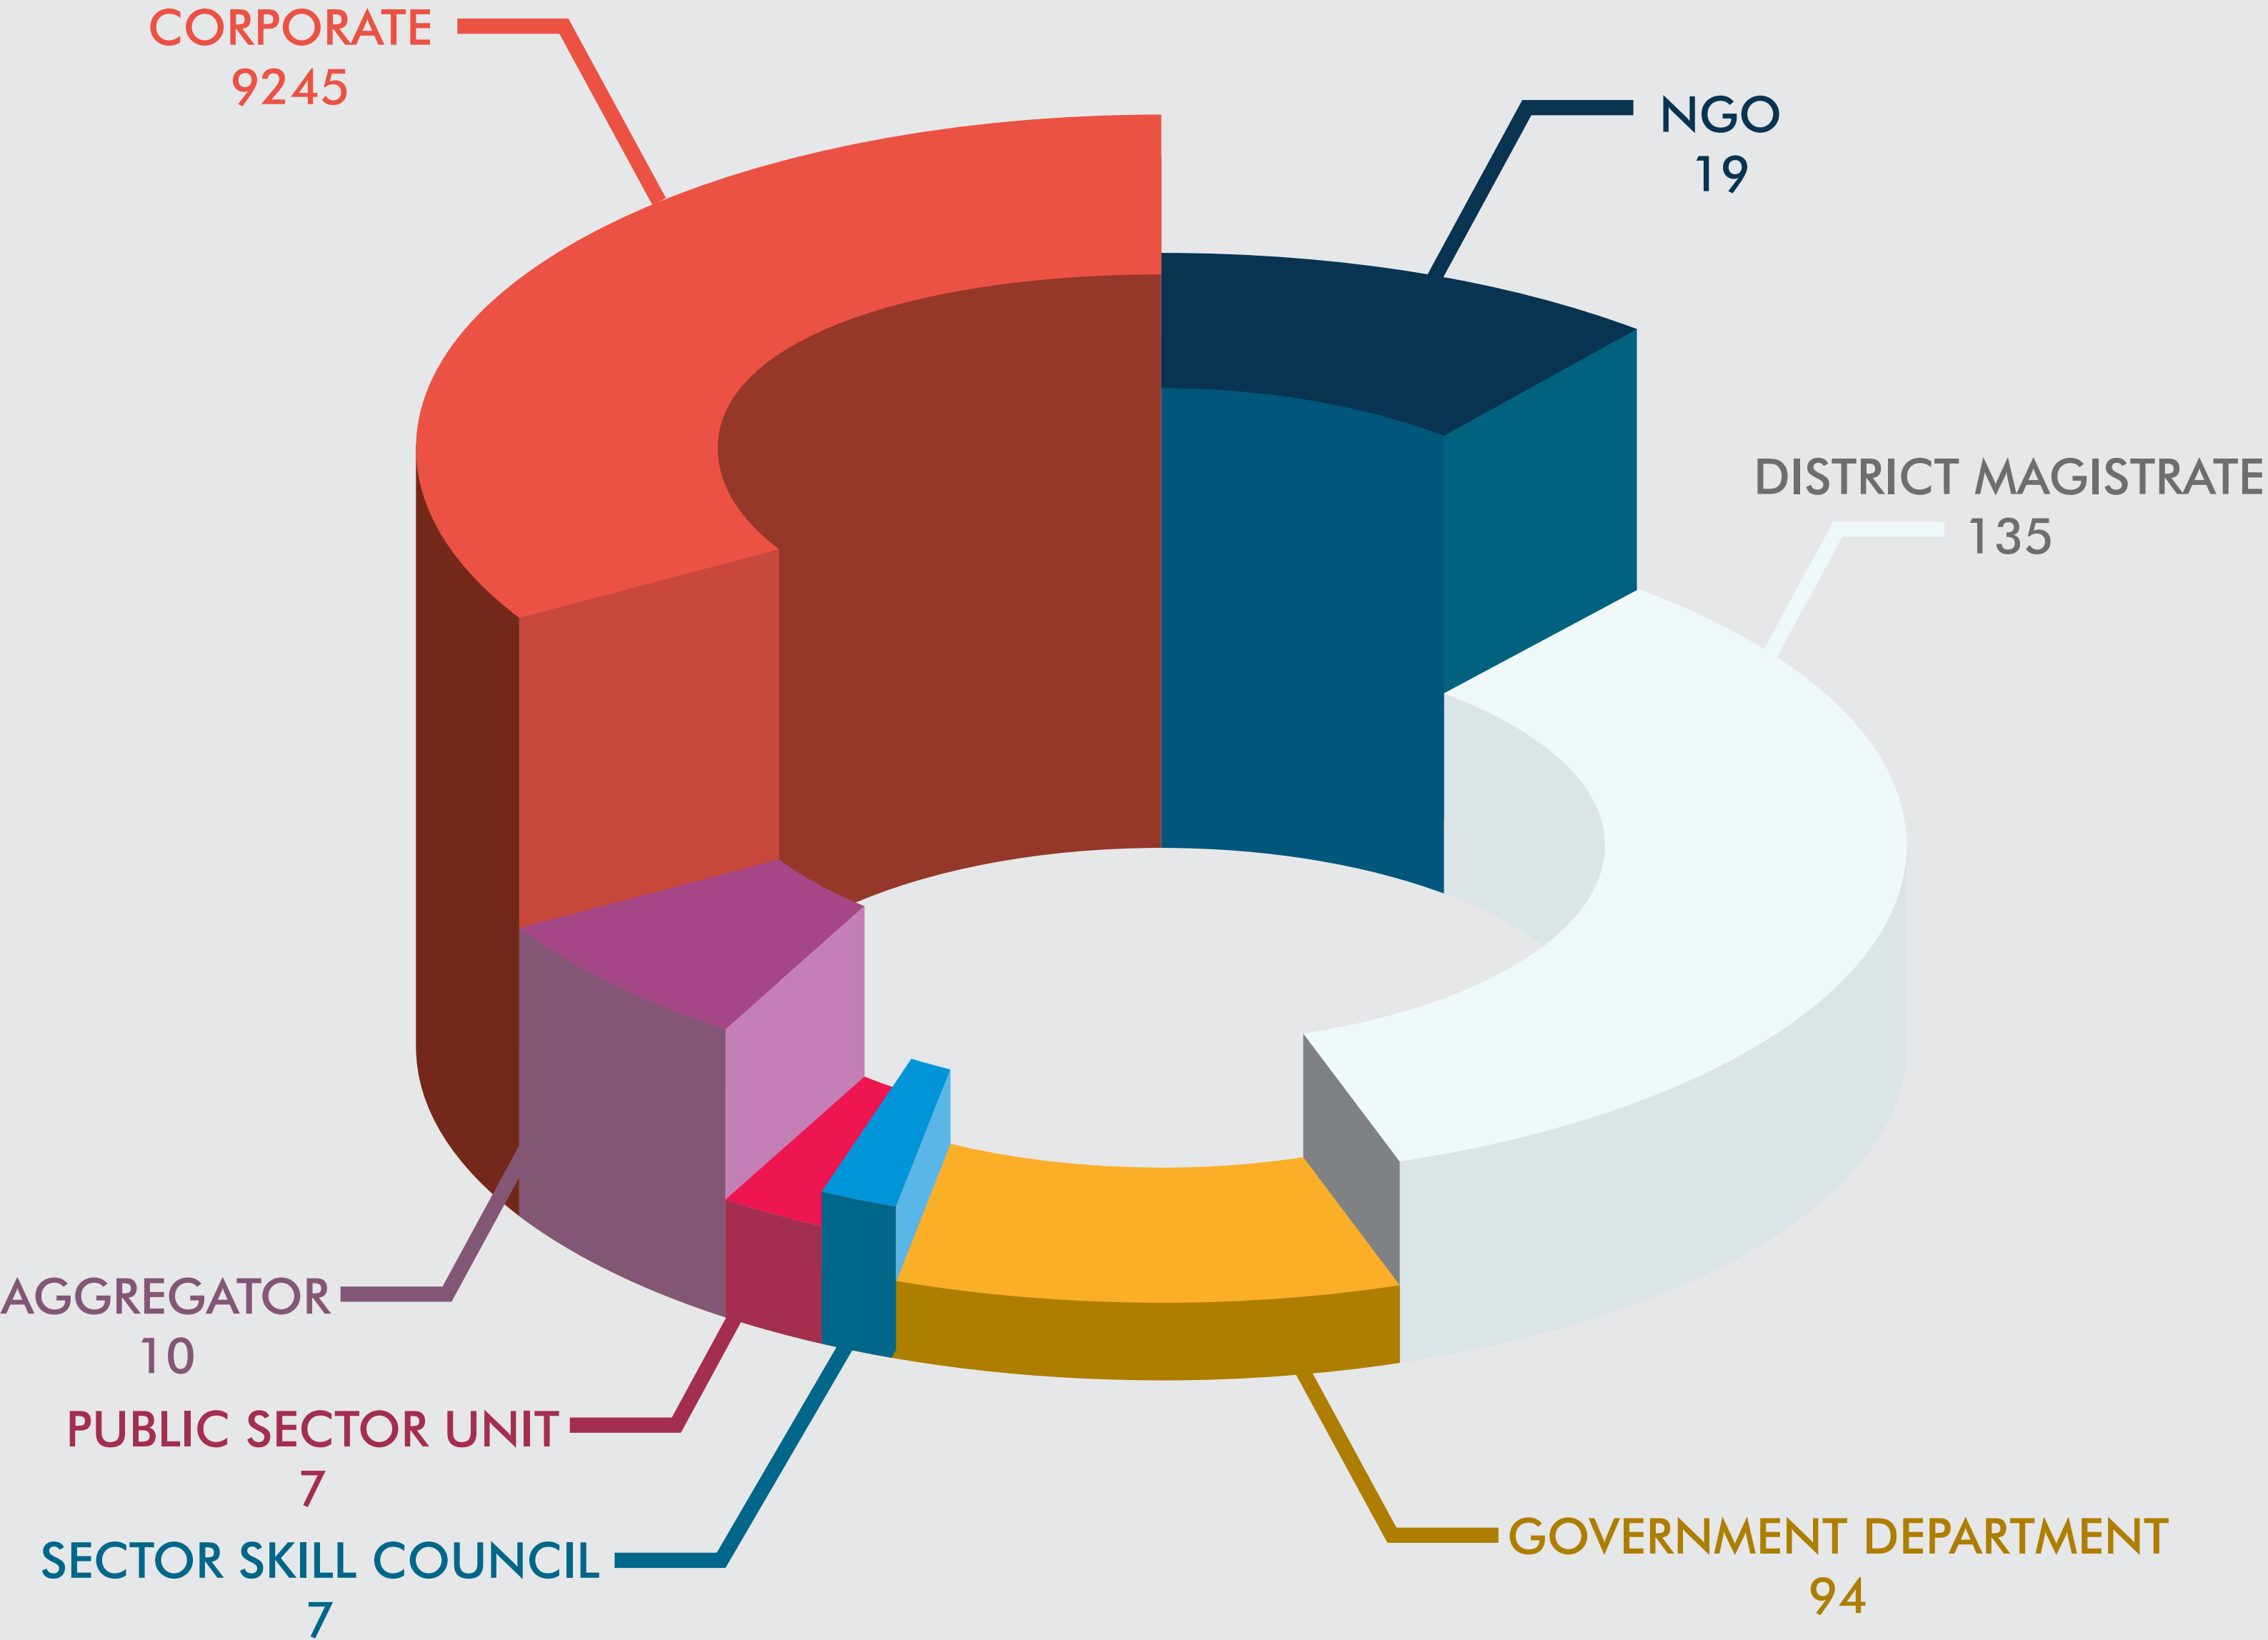

The banner features the AICTE logo in the top left corner. The main text reads "District Internship Open Now!" in large white font, followed by "Nominate 5 students from your Institutions" in yellow. Below this is the URL "For more details [www.internship.aicte-india.org/districtinternships.aspx](http://www.internship.aicte-india.org/districtinternships.aspx)" and a prominent orange "Register Now" button. At the bottom, there is a search bar with the placeholder text "Category/Institution name" and a "FIND INTERNSHIPS" button. The background is dark with a subtle pattern of industrial structures.

The cover features a large image of a person in a white lab coat holding a rolled-up document, with an industrial background. The AICTE logo is in the top left corner. The title "AICTE INTERNSHIP POLICY: GUIDELINES & PROCEDURES" is prominently displayed in white text on a teal background. At the bottom, it lists "ALL INDIA COUNCIL FOR TECHNICAL EDUCATION" and the address "Nelson Mandela Marg, Vasant Kunj, New Delhi-110070".

# TRAINING FOR TECHNICAL TEACHERS

AICTE has formulated a comprehensive teacher's training policy at induction level and thereafter. The objectives of the training policy are as follows: -

- Designing and Developing Faculty and Staff Development Strategy through mandatory training, refresher courses and generic skill training.
- Keeping up to date and enhancing professional knowledge and skills needed for better performance of individuals and organizations.
- Providing better understanding of professional requirements as well sensitization to professional, socio-economic and political environment in which work is done.
- Bringing about right attitudinal changes.
- Updating faculty on latest IT Tools and technologies and processes.
- Integrate Departmental and Individual developmental needs and goals.

# PERSPECTIVE PLAN

AICTE will be giving greater focus on multi-disciplinary courses by reducing the seats in conventional disciplines and converting the existing into courses in new emerging areas from the Academic year **2020-21**.

- Focus on multi-disciplinary courses.
- Curriculum prepared for **9** Emerging Areas.
- Courses to be offered in the form of Electives.
- Workshops organized to train the faculty based on New Curriculum.
  - 8 Workshops.
  - 400+ Faculty Trained.

## NEW EMERGING AREAS

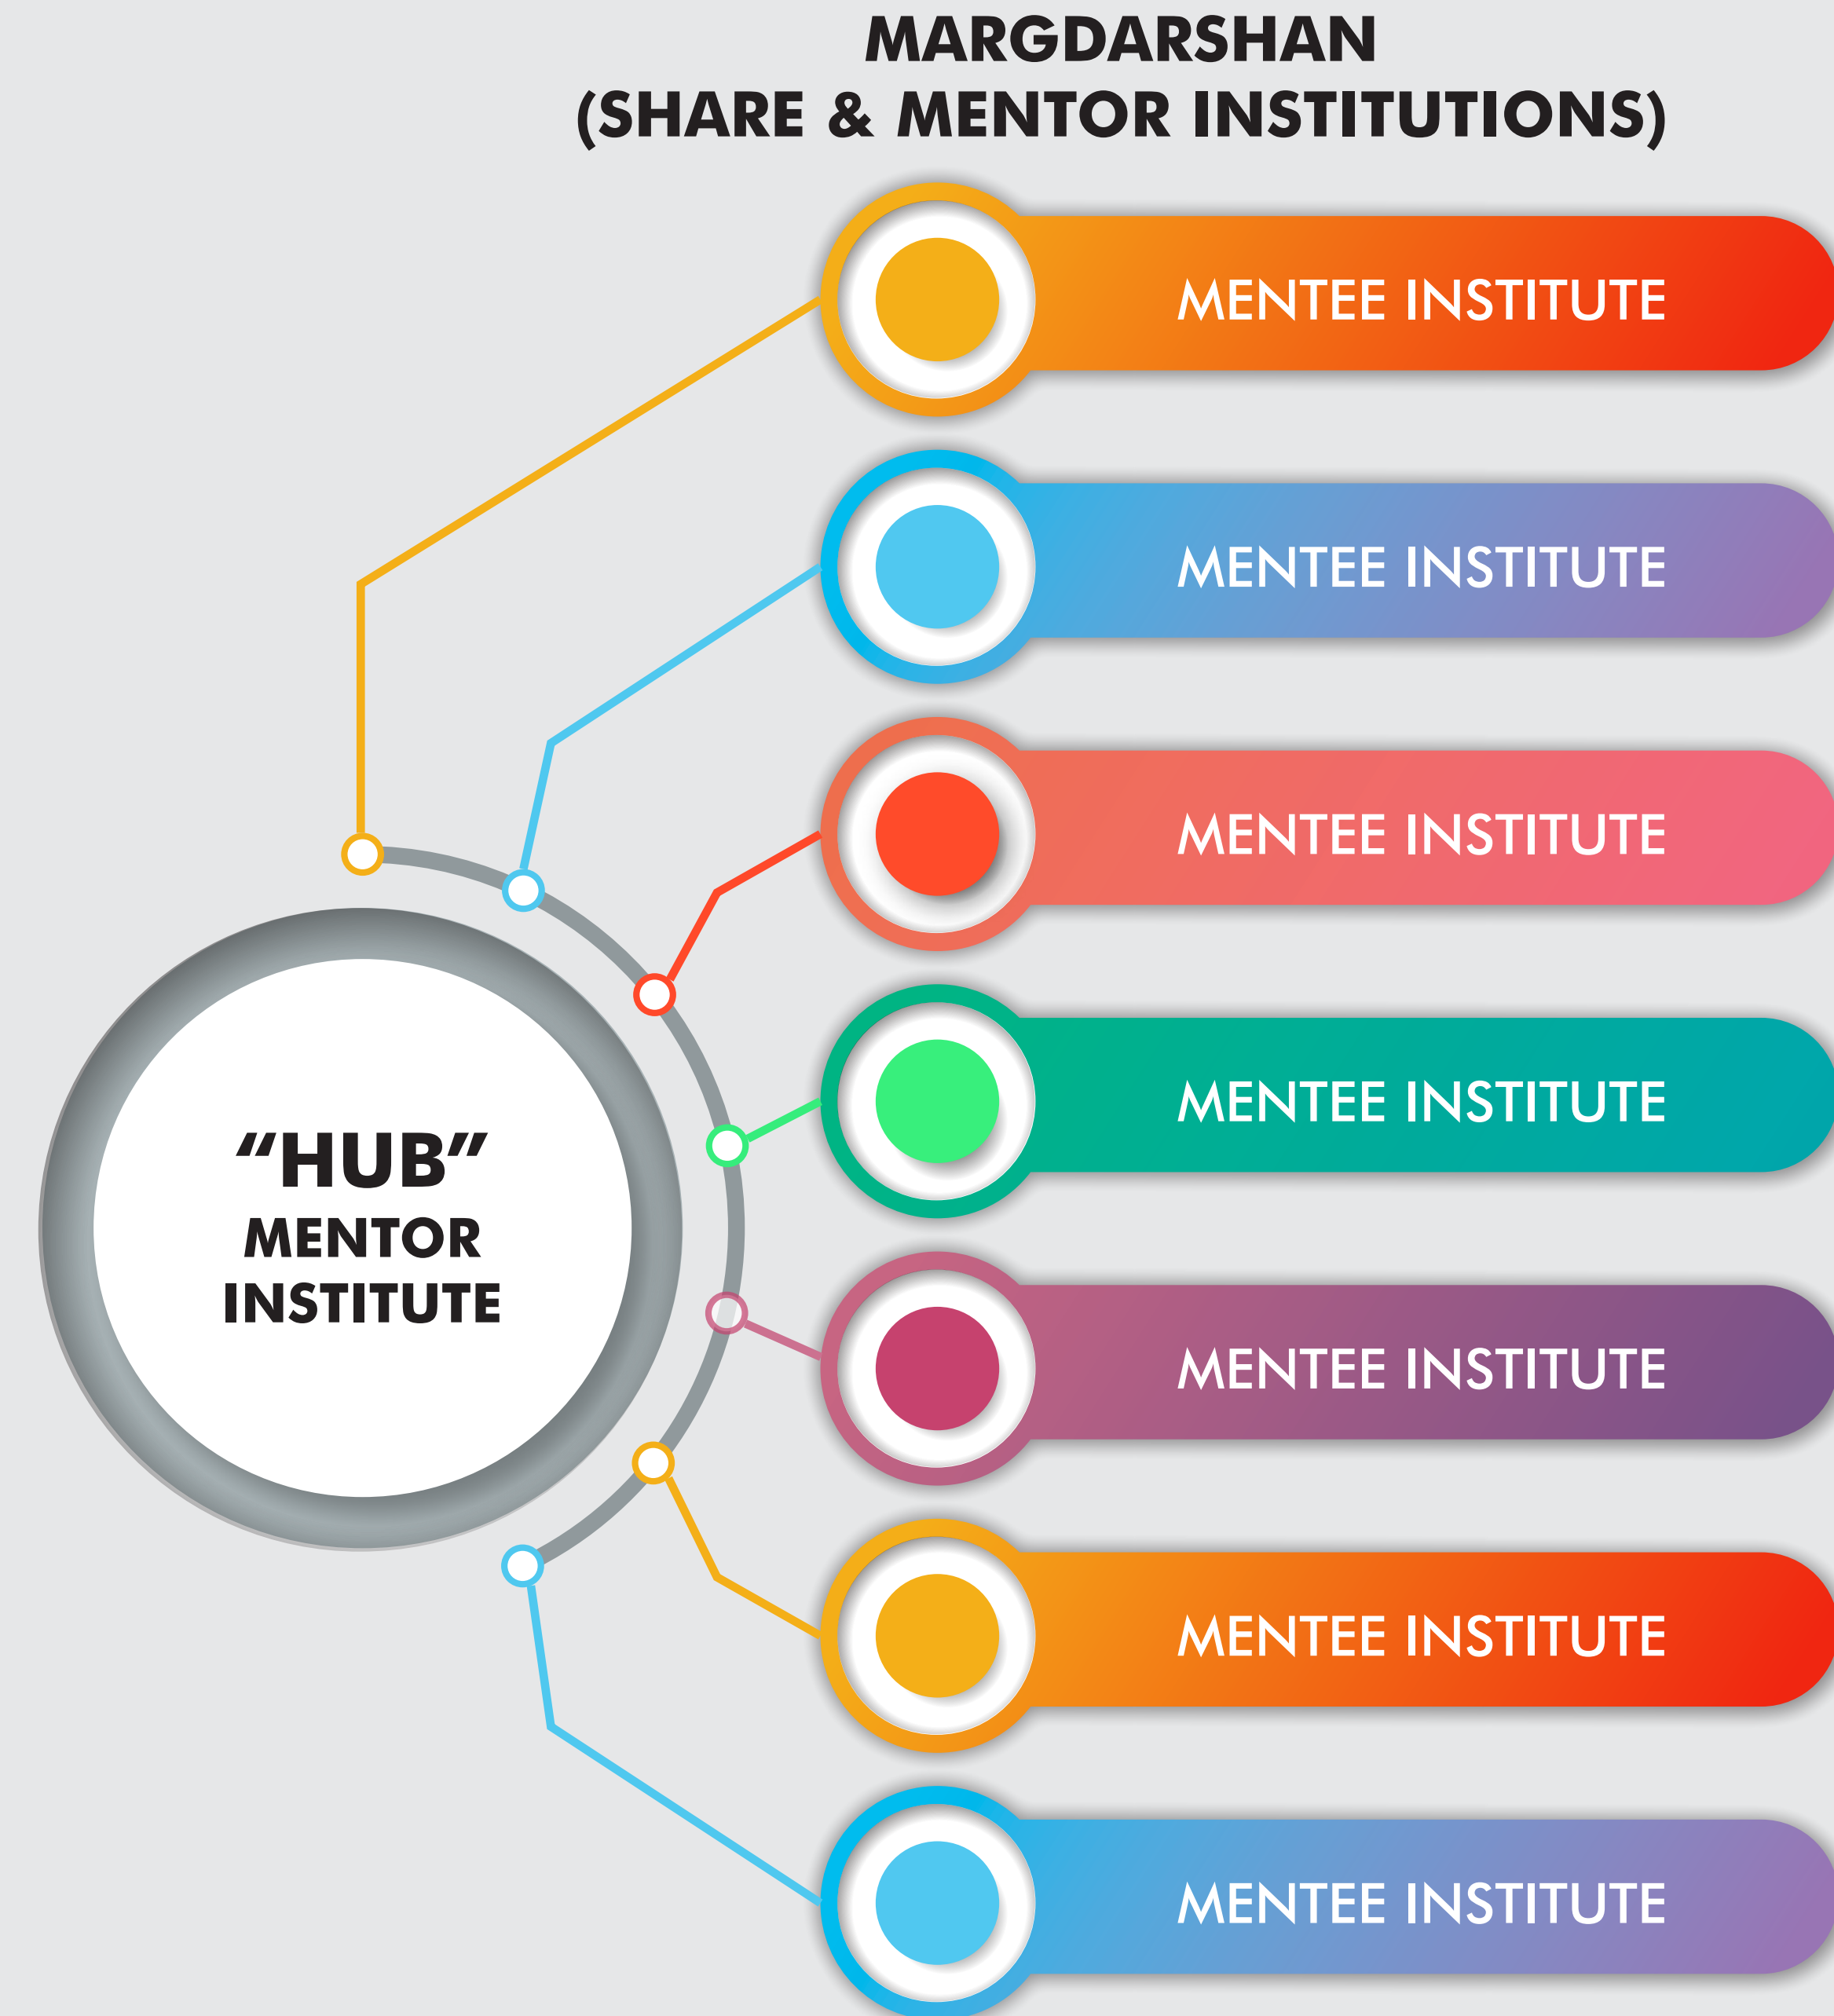

# MANDATORY ACCREDITATION

It is mandatory for all technical institutions to have their **60%** programs NBA accredited in next four years, else no extension of approval will be granted..

## MARGDARSHAN (SHARE AND MENTOR INSTITUTIONS)

To improve the required quality parameters in the institutes in order to enable them to apply for NBA accreditation of their programmes by “Mentoring of institutes by a well performing institutes”. Limit of fund is Rs. **50** Lakh per institute. Till date **40** Institutes selected as Margdarshan Institutes and benefiting around **765** mentee institutes.

# MARGADARSHAK

To improve the required quality parameters in the institutes and to enable them to apply for NBA accreditation of their programmes. Margadarshak scheme is being implemented by AICTE. Under the scheme eminent/senior academicians are nominated as Margadarshaks. All Margadarshaks are engaged for a period of 6 months, extendable to two and half years or till completion of accreditation of **2/3rd** of programmes in the institutions, whichever is earlier. The limit of funding is honorarium of Rs. **5,000/** visit. More than 150 Margadarshaks have been nominated till date.

# SWAYAM

SWAYAM platform is indigenously developed by Ministry of Human Resource Development (MHRD) for hosting MOOCs courses: covering school, under-graduate, post-graduate programs in all subjects including engineering, law, management and other professional courses. The objective is to take the best teaching learning resources to all, including the most disadvantaged. SWAYAM seeks to bridge the digital divide for students who have hitherto remained untouched by the digital revolution and have not been able to join the mainstream of the knowledge economy.

# AICTE-UKIERI LEADERSHIP DEVELOPMENT PROGRAMME

AICTE signed an Implementation Agreement under UKIERI Phase III to train **600** aspiring leaders from AICTE approved Institutions/ Polytechnics till March **2020**, in Technical Education “Leadership Development Programme” LDP. **300** senior faculties are already trained under LDP program. Selected best participants from each batch will also get a chance for Study Tour to Dudley College, UK. **30** participants have already visited UK.

# MODERNIZATION AND REMOVAL OF OBSOLESCENCE (MODROB)

The objective of the Scheme is to modernize and remove obsolescence in the Laboratories / Workshops / Computing facilities, so as to enhance the functional efficiency of Technical Institutions for Teaching, Training and Research purposes. The limit of Funding is **Rs. 20 Lakh** under this scheme. So far about **1200** labs have been developed this benefitting about one lakh students.

## MODERNIZATION AND REMOVAL OF OBSOLESCENCE (MODROB) FOR RURAL AREAS (MODROB RURAL)

The objective of the Scheme is to modernize laboratories of technical Institutions operating in rural areas of the country, to enhance their functional efficiency in Teaching, Training and Research areas. The funding limit under this scheme is **Rs. 20 Lakh**.

# HOSTEL FOR SC/ST STUDENTS

The objective of the Scheme is to provide financial assistance for construction of Hostels exclusively for SC/ST students. The limit of funding is **Rs. 3.00 Crore**. **35** Hostels have been constructed till date and **68** new Hostels are under construction.

## SNAPSHOT OF FEW COMPLETED HOSTELS

Madhav Institute of Technology & Science, Gwalior, (Madhya Pradesh)

Rajiv Gandhi Institute of Technology, Kottayam (Kerala)

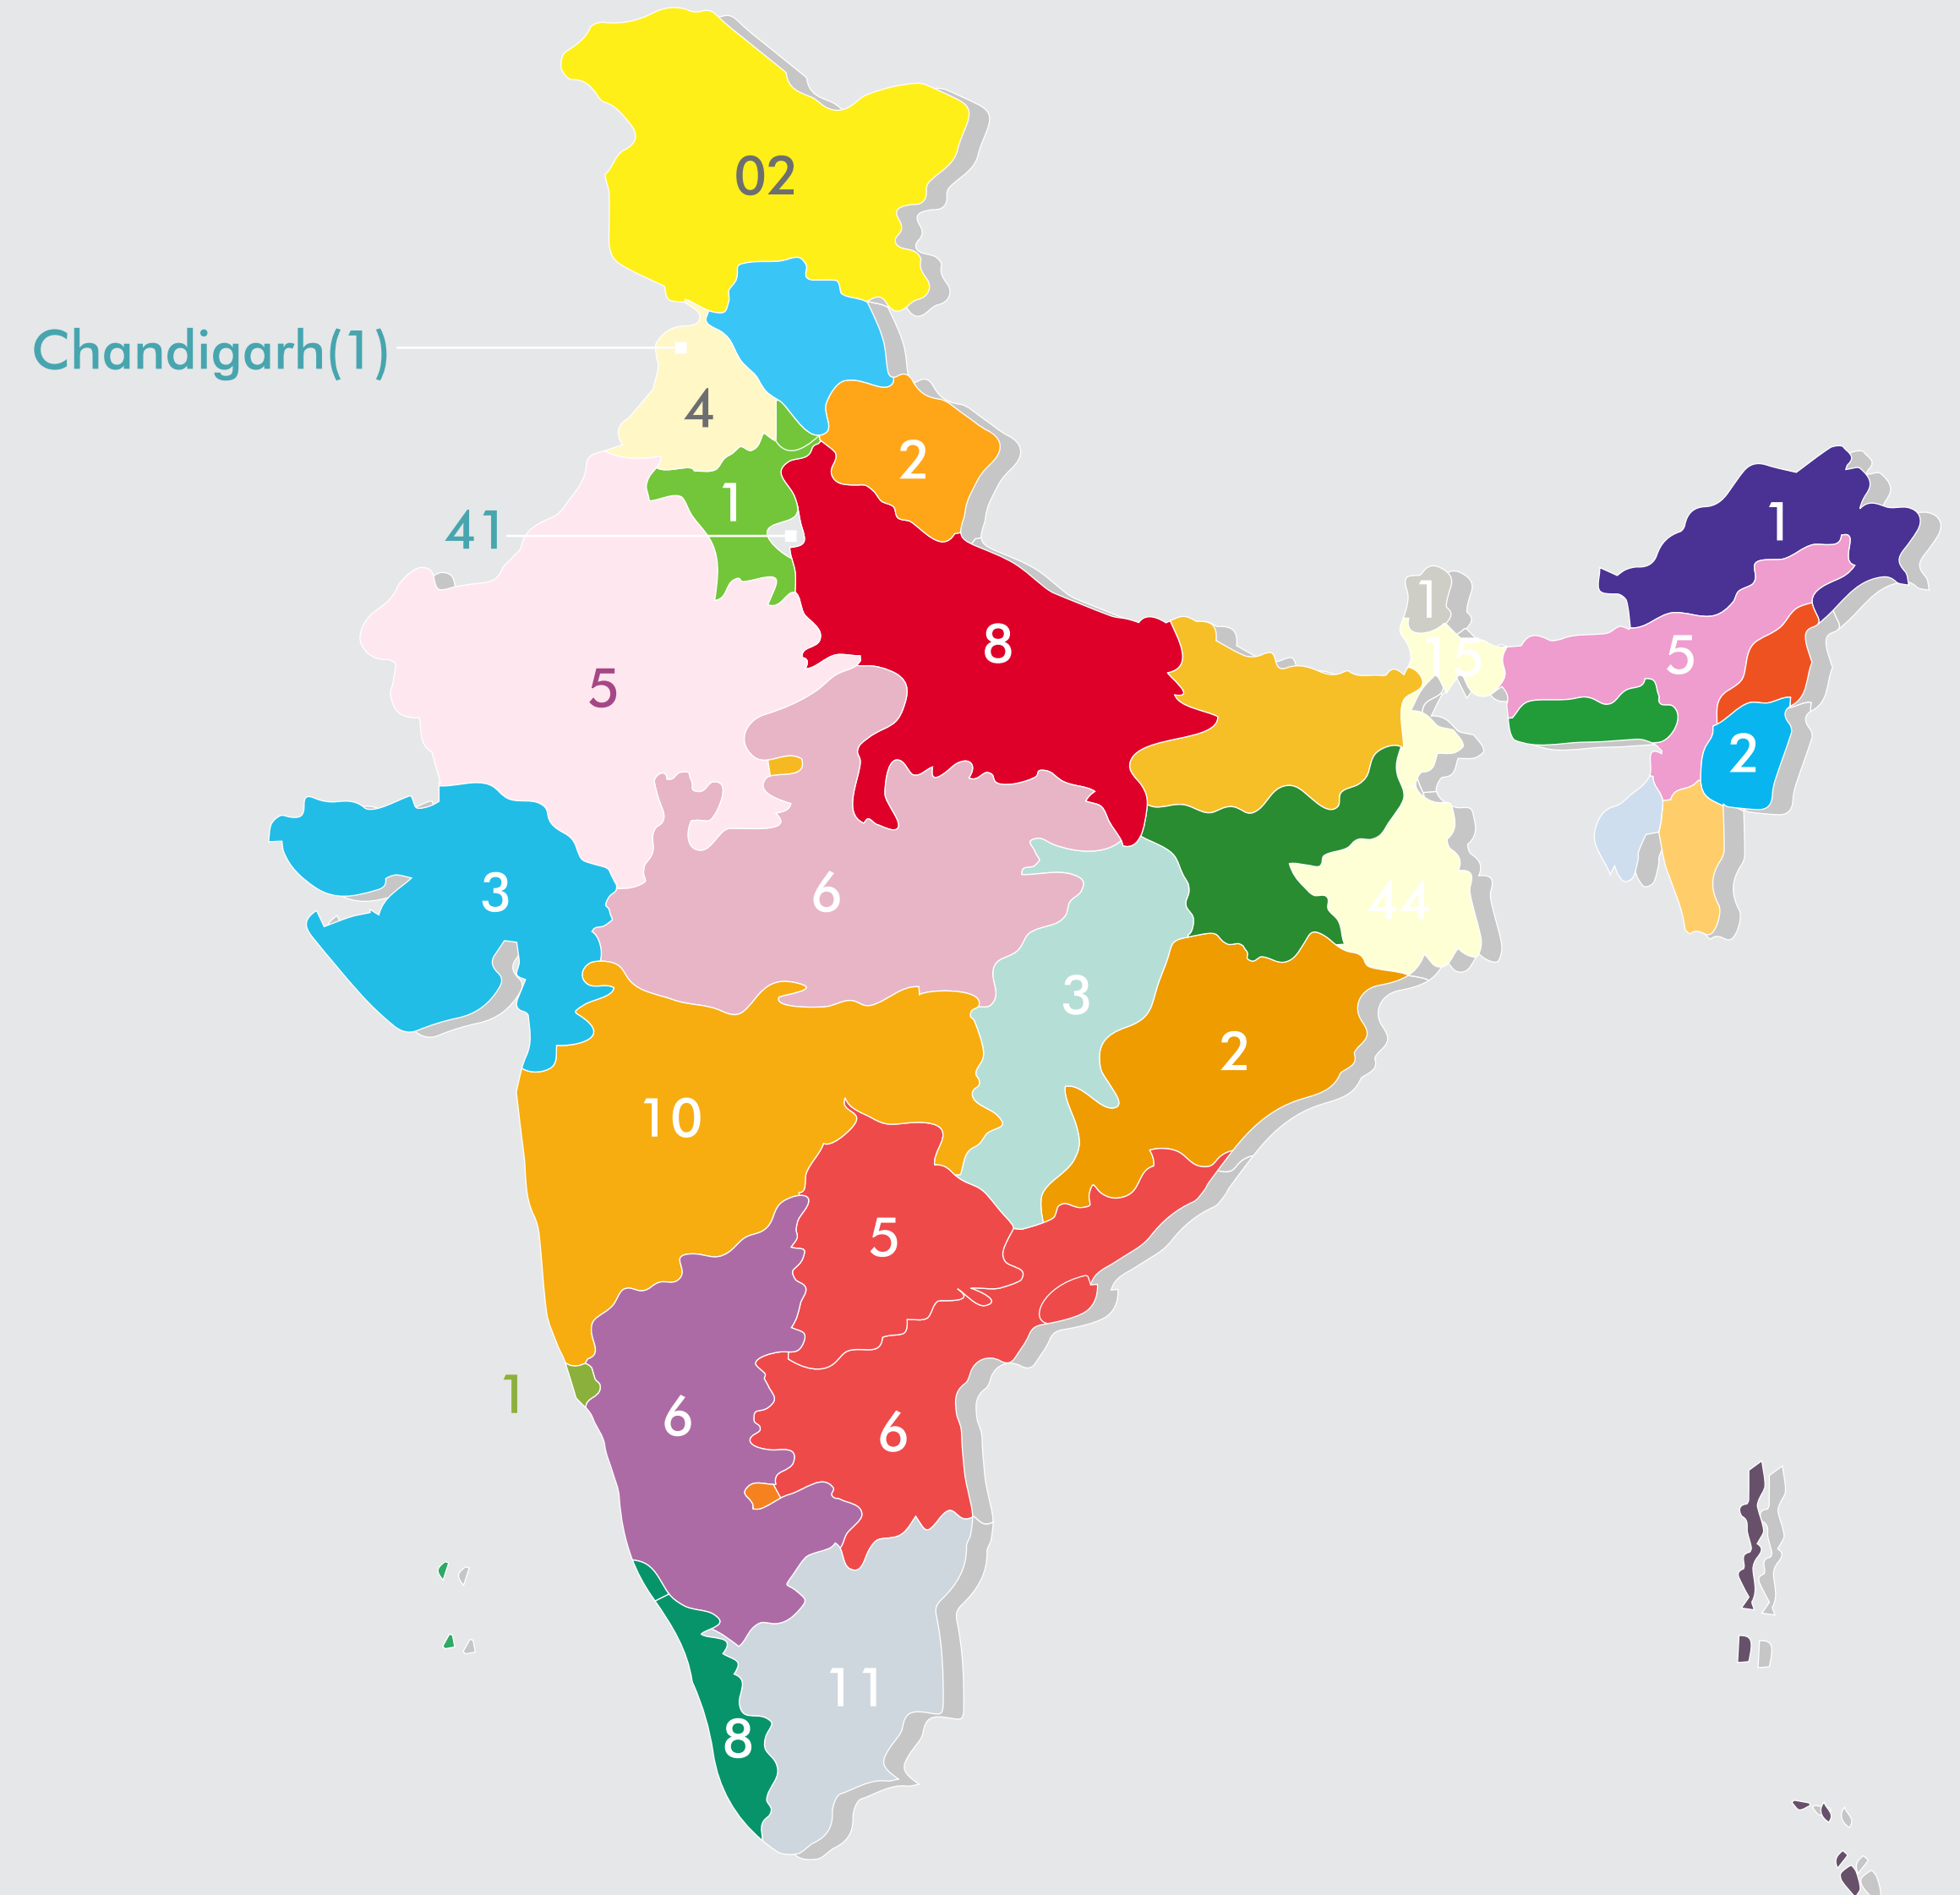

Assam Engineering Institute, Guwahati (Assam)

Govt. College of Engineering, Kannur, (Kerala)

## LOCATION OF HOSTELS FUNDED BY AICTE THROUGHOUT INDIA

# SHORT TERM TRAINING PROGRAM (STTP)

To enhance the teaching and other skills of faculty, administrative staff and Librarians, Short-term Training Program of **1-week** duration is conducted with a financial assistance of **Rs. 5 lakh**. Council has approved **473** institutes to run vocational Courses.

## OPENING OF ITI IN SPARE CAPACITY IN AICTE APPROVED POLYTECHNIC

To optimum utilize the spare capacity of Polytechnics, Council is also permitting Polytechnics to utilise the spare capacity for opening **Industrial Training Institutes (ITI)** through offline application to MSDE.

# CLEAN & SMART CAMPUS AWARD

In order to recognize the effort of AICTE approved institutes for attaining the intended objectives of 'Swach Bharat', AICTE in association with TERRE Policy Centre, Pune and IIWM, Bangalore had introduced the Clean & Smart Campus Award.

# AICTE-CII INDUSTRY LINKED SURVEY OF TECHNICAL INSTITUTIONS

AICTE in association with CII conducted survey of Industry-Academia Collaboration from the year 2012. This survey is to map the Industry Linkages of Indian Technical Institutes and highlight the strengths and weaknesses of the ecosystem of Technical Education in India. The survey leads to Awards for technical institutions on their industry linkage.

REGION WISE SUBMISSION

# JAL SHAKTI ABHIYAN

Jal Shakti Abhiyan is an initiative of the Government of India to conserve water. AICTE is supporting this initiative by connecting students of technical institutions in selected water deficient districts with respective District Collectors to conserve water by intervention of technologies.

## ONE STUDENT ONE TREE

In order to accelerate afforestation, AICTE has motivated the students of its approved Institutions to participate in this initiative and plant at least one tree having suitable utility in the respective region.

# WHEEBOX NATIONAL EMPLOYABILITY TEST (WNET)

Council has partnered with Wheebox, a Global talent assessment company and its consortium partners United Nations Development Program (UNDP), Confederation of Indian Industry (CII), Association of Indian Universities (AIU), People Strong and LinkedIn to build & publish the “India Skills Report”. Wheebox conducts National Employability Test (WNET) for all pre-final and final year graduates of AICTE approved institutes. The outcome of the test will help the institutes to identify core strength and improvement areas of their students in the form of transcript and certification jointly certified by CII & AIU.
