Invitation:

SelectSmart

Mentor Profile:

Graduate Electrical Engineer with 40 years of Industry experience in Electronics Manufacturing and Education segments with a passion for new technologies and focus on Productivity. Tries to address complex problems from a different angle and provide simple solutions.

Was an active member of the team that created MRP II (in BHEL, Bangalore) and successfully created India's best Computer Based Exam system (at Eduquity) for high stakes exam that is used for various exams of Public Service Commissions as well as Educational Institution since 2004.

Received 19 productivity awards in BHEL. Always looking to leverage new technologies and that are appropriate for the end user.

Believes in thinking Simple and Nothing is Impossible

Mr. Ramesh Kumar
CTO, Eduquity

You are in the Best phase of Life!

Drive safe & Don't Fail.
You have lot of resources and Time to experiment and learn. While you have fun, Try to learn more and more

Enjoy the scenery & Have Fun
We need not tell how much fun you are having. These days will not come again in life. Enjoy !

Internships are Important !

Take up Internship in the area you love to work

Paid or Free - it does not matter…

All that matters is your knowledge !

Observe, Observe and Observe.
