ACTIVITY REPORT

Activity Name	Digital Job Opportunities in Test Engineering
Activity Type	Lecture
Conducted By	CTDS Bangalore

About the Activity:

This is a lecture / webinar activity presented by By Dr. Kalyanam Kannan, Director, CTDS Chairman, ISERT.

About ISERT:

INDIAN SOCIETY FOR EDUCATION RESEARCH AND TECHNOLOGY (ISERT) was founded by group of corporate professionals, educationalists and researchers with the sole objective of connecting institutions and industries using a collaborative platform "SelectSmart".

About CTDS:

Center for Test and Data Sciences (CTDS) is for real time industry projects, internships, sponsored research from companies and government agencies and technology training.

CTDS is composed of industry professionals playing the role of mentors and serves as a bridge between industry and institutions, the center focuses on building talent and technology solutions for industries through early collaboration and mutual engagements.

Currently the center is working on projects related to Data Analytics, Software Quality Management, Mechanical testing and Characterization and many more.
