SelectSmart Activity Report

On

Understanding Embedded Systems

By Mr. Vijay Mahentesh
Founder &Director,
Cleverbit Solutions

Conducted on: **05-Sep-2020**@ 11 am

Via: Zoom Meetings / YouTube

Activity Name	Understanding Embedded Systems
Activity Type	Lecture
Conducted By	CTDS Bangalore

About the Activity:

This is a lecture / webinar activity presented by Mr. Vijay Mahentesh, Founder & Director,Cleverbit Solutions, Bangalore.

About Cleverbit Solutions:

Cleverbit Solutions is founded with an objective to be the leader in IT services by offering cost effective and reliable solutions to customers across various engineering industries like Automotive, Aerospace and Consumer Electronics.

CLEVERBIT offers range of technical staffing services to meet the requirements of customer at affordable cost and optimum time. The staffing solutions are looked after by technical experts to accurately interpret and fulfill customer requirements. Our dedicated team of recruiting professionals completes the entire search life cycle, providing continuity and a dedicated point of contact. From the outset, we work closely with our clients to develop a clear understanding of their values, business goals and help them determine exact staffing needs.
