

MEMORANDUM OF UNDERSTANDING

INDUSTRY ENGAGEMENT – SOFTWARE SKILL DEVELOPMENT PROGRAM

This Memorandum of Understanding is signed on **6th day of February 2018**, between the following institutions:

- a. UniQval Software Solutions Pvt. Ltd., Bengaluru
- b. ACS College of Engineering, Bengaluru

This Memorandum of Understanding is proposed to conduct a Software Skill Development Program to the students at ACS College of Engineering.

Through this Memorandum of Understanding, the two parties agree to the following: -

- a) A steering committee will be set up to monitor the activities of MOU. The committee will consist of Mr. Anantha Somayaji of UniQval Software Solutions Pvt. Ltd. and Principal of ACS College of Engineering. With mutual consent, the steering committee can be expanded to include more members from the two institutions. The steering committee will be the supreme body as far the implementation of the activities of MOU, the continuation of MOU and the termination of MOU are concerned.
- b) Skill Development Program: This program will enable the students to work on software development on various Technologies in an Industry environment. The students with Industry practices and processes are there by near to the expectations of the industry. This helps them to be above the rest of the member during the interview and more chances of clearing the interview.
