OUTCOME OF THE EVENT

The Alumni Association of ACS College of Engineering organized "VIRTUAL ALUMNI MEET 2020"- a programme to reconnect and bring together all friends and memories on 15th August 2020. Due to the current situation of COVID pandemic, the alumni meet was conducted virtually on Zoom platform. Zoom meeting ID and password was shared much in advance so that participants can make themselves available.

Mrs. Kavita Patil, Asst Professor and Alumni Coordinator welcomed all the alumni. Dr. M S Murali, Principal, ACS college of Engineering, was happy to see all the participants. It was then followed by interaction between alumni and present students of ACS College of Engineering. Alumni gave very useful suggestion on how to face interview and fetch a good job in MNCs. They also suggested some good universities if students wants to pursuit higher education. The event lasted for about two hours and was closed with the hope that the pandemic situation will be under control next year so that they everybody can meet physically next year.
