.....

Dear Sir/Madam,

**Subject: Invitation for Voluntary Blood Donation Camp-
Reg.**

We are pleased to inform that the NSS Unit of ACSCE is organizing the **Voluntary Blood Donation Camp** on **23rd March 2016 @ 9.00AM** onwards.

We request you to encourage your faculty and students to attend the Event.

Thanking You

Your's Sincerely,

Sd-

Mr. Shivakumar M S
NSS Programme Officer

Voluntary Blood Donation Camp

ACS College of Engineering conducted a **BLOOD DONATION** camp in the campus under National Service Scheme (NSS) in association with the Lion's Club Bangalore- South, RajaRajeswari Medical College & Hospital, Rashtrrothana Blood Bank & Bowring & Lady Curzon Hospitals on **23.03.2016**. The NSS unit planned and organized this event and to their surprise the response was huge. Many students voluntarily came up to donate the blood.

The Lion's Club & RajaRajeswari Medical College & Hospital helped the organizers to conduct a camp as such in the college. NSS Programme Officer Prof. M. Shivakumar M.S said" We are happy to conduct such a drive in our college and we are quite surprised by the response of the students. We wish to conduct many such events in the college and also would make sure to conduct this camp every year in our college. Many checkups for blood pressure and other tests were conducted by the doctors. We take the opportunity to thank Lions Club & RajaRajeswari Medical College & Hospital for their support and encouragement. ", says the organizers of the event.

Our Principal **Dr. M.S.Murali**, Vice Principal **Prof. R.R.Elangovan** made their gracious presence in the camp which started at 9.30 a.m and went upto 2.00 p.m.

Refreshments were provided to the students who were part of the camp. The Volunteers took immense care to meet the requirements of students after donating the blood, so as to avoid any mishaps in the campus. Kevin Jacob Santhosh EEE-2nd Sem student said," It feels great to participate in the event. I being a group donor (O+ve) felt the urge to donate the blood as it is required by many. Today accidents have increased and blood is very much in need for each and every hospital, we students don't feel so much responsible to go to blood banks and donate the blood, therefore conducting such events in college would surely make us aware of our health as well as the need of blood in this world. The huge words and quotes on the posters had an impact on the students, attracted us and made us to donate the blood. The camp is organized in a much disciplined manner checking each and every aspect of our health. Would like to see such camps and many other such events happen in our college."

Dr. Pradeepa S.M was present, inspecting every aspect of the camp throughout the day, all the students sincerely thank our Supervisor Mr. Dharmalingam helped us to conduct the event.

ACS COLLEGE OF ENGINEERING
DEPARTMENT OF CIVIL ENGINEERING

ENVIRONMENTAL DAY....WRITE UP

Connecting people to Nature implores us to get outdoors & into the nature and appreciate its beauty & its importance to take forward the call to protect the earth that we share.

World Environmental day is the biggest annual event for positive environmental action & takes place on every June 5. It began in 1972, Global citizens had organized many thousands of events, from neighborhood cleanups, to safeguard against wildlife crime & replanting trees.

At ACS College of engineering, we celebrated Environmental day on June 5 2017 by conducting various events such as quiz competition, planting & distribution of saplings & fixing of bird feeders on trees. A questionnaire on environment was prepared by department of Civil engineering & competition was conducted for faculties of all departments and prizes were given to the top three faculties who cracked the competition. Later saplings was bought by department of Biomedical engineering .A proper place was selected in college campus & plants were rooted by our beloved Principal DrM.S.Murali & all heads of other departments. Initiative was also taken in fixing bird feeders on trees & provision was made for water storing in concrete tubs which was kept under each tree to feed animals & birds. The program winded with oath taking from all the faculties which made all our minds & heart strong in promoting good sustainable environment in safeguarding good aesthetics & health .

NSS EYE DONATION AWARENESS PROGRAM REPORT

Title of the Event: NSS Eye Donation Awareness Program

Event Date: 24/08/2016

Time: 11.30 AM-12.30 PM

Venue: ACSCE Auditorium

Report:

The NSS Unit of ACSCE has organized an Eye Donation Awareness program in association with RajaRajeswari Medical College and Hospital (RRMCH), Bengaluru, on 24/08/2016 in ACSCE Auditorium. Mr. M.S. Shivakumar, NSS Programme Officer & Asst. Professor, Dept. of Chemistry stood as the Event Co-Ordinator and successfully well organized this function. The above event was well supported by the faculty members Dr. Veena B.H, Dr. Selvanandan, Dr. Pradeepa S.M, Mr. Raghavendra K, Dr. Pradeep Kumar K.T, Mr. Venkatesh T and Mrs. Anandhi. The NSS Volunteers and the Students of ACSCE were participated enthusiastically.

The programme begins with welcome address by Dr. Bhavyashree and she welcomes Dr. Koushal, HOD, Dept. of Ophthalmology, Dr. Shivakumar and their team to the program. Dr. Shivakumar has given an eye Donation Awareness Presentation. During his presentation he explains about

- **Eye Donation and How is this helpful?,**
- **Why should our eyes be donated? ,**
- **Who all can donate their eyes? ,**
- **What is the procedure?,**
- **Whom should we contact to donate eyes?,**
- **Steps to take care for donation of the eyes, What is an eye bank?, and**
- **POINTS WORTH TO BE NOTED.**

Finally, he suggested us to **TAKE CARE OF OUR EYES Because THEY ARE GOD'S GIFT TO BE PASSED ON.**

Finally, more than 150 students from various branches of ACSCE had given the pledge to donate their eyes and in order to save two blinded persons. We acknowledge the continuous support of our Management (RRGI) for conducting the program.

NSS PLANTATION CAMP REPORT

Title of the Event: NSS Plantation Camp

Event Duration: One Day (23/08/2016)

Time: 10.00AM-2.00 PM

Venue: ACSCE College Road

Report:

The NSS Unit of ACSCE has conducted a Plantation Camp on 23/08/2016 in ACSCE College Road. The Camp was started at 10.00 AM in the morning. The Principal Dr. M.S. Murali inaugurated the camp by planting and watering a plant. After that he addressed all the volunteers about the importance and benefit of this type of camps. Mr. M.S. Shivakumar, NSS Programme Coordinator & HOD Dept. of Chemistry, motivated the students and volunteers. The faculty members like Dr. Pradeepa S.M, Mr. Venkatesh, Dept. of Chemistry, Mr. Raghavendra K, Dept. of Mathematics have very actively participated & involved in the Camp throughout the day. Senior faculty members such as Dr. Selvanandan, Dept. of Physics, Dr. Veena B.H, dept. of maths, Dr. C.S. Pillai, Dept. of CSE have also encouraged us during the camp. More importantly, more than 30 NSS volunteers from various branches of ACSCE have attended & carried the camp very enthusiastically with lot of interest. During the camp we have successfully planted around 75 plants. At the end of the day, Our management (RRGI), encouraged and appreciated our work. The NSS unit of ACSCE thanks the management for their continuous support and appreciation for all our activities. Finally, the above mentioned camp was also appreciated by the localities and the passengers who are travelling in that road during the camp.

Mr. Shivakumar M S
NSS Programme Officer

RALLY REPORT

We the NSS & Biomedical Department of ACSCE Organized a Rally & awareness programme on "Say No to Crackers" in and around kengeri upanagar on October .17. 2017.

We obtained Police inspector & traffic police permission for the conduction of Rally from Kengeri police station on 16/10/2017.

Sl.No.	Time	Event	Faculty coordinator
1	11:45 AM	Wrist bands are provided to maintain uniformity among students of ACSCE.	
2.	12:00 AM	Instructions were given to students to maintain discipline & to follow the rules & regulations	
2.	12:30PM 4:00PM	<ul style="list-style-type: none">• Rally with posters, slogan & charts.• Skit performances by the Biomedical Students.	Dr. Anitha S Mrs. Vamshadeepa Mr. Naveen T S Mr. Hemanth Kumar G

Rally & awareness was based on following themes: why you should give up bursting crackers

1) *Smog*

2) *Fire accidents*

3) *Other living beings/pets*

4) Garbage

6) Crackers affect new-borns and pregnant women

7) Harmful gases in the air

5) health benefits from Mud diwaas

The program concluded with providing Refreshments for the students.

We started our journey at 11:45 am at ACS college of Engineering.

Rally march at kengeri upanagara.

Skit performance by our students.

Another scene from the skit.

Enthusiastic participation from students.

INTERNATIONAL YOGA DAY-2016

The International Yoga Day has been observed in the college on 21st June 2016. The event witnessed the participation from all the faculty members and was meant to spread awareness about the health benefits of the very ancient Indian practice of Yoga. The benefits of which is accepted by the entire world. Experts were invited from the Art of Living Foundation to train the Faculty. Every individual thoroughly enjoyed the event and walked out feeling rejuvenated.

NATIONAL SERVICE SCHEME (NSS)

REPORT: “DISTRIBUTION OF STUDY MATERIALS, KIT AND FRUITS FOR ORPHANAGE CHILDRENS”

- 1. Type of Event:** NSS Activity
- 2. Title of the event:** “DISTRIBUTION OF STUDY MATERIALS, KIT AND FRUITS FOR ORPHANAGE CHILDRENS”
- 3. Purpose of the Event:** To help Orphanage Children’s on behalf of our honorable chairman’s birthday
- 4. Targeted Beneficiaries:** Satya Sai Mahila Charitable Trust Orphanage Children’s
- 5. Event Date:** 24-09-2016
- 6. Venue:** SATYA SAI MAHILA CHARITABLE TRUST, Challeghatta, Bengaluru
- 7. Target Participants:** NSS Volunteers, NSS members, Faculty Members and Non teaching Staffs.
- 8. Summary of the programme:**

On behalf of our honorable chairman’s birthday, NSS unit of ACSCE has conducted the program of “DISTRIBUTION OF STUDY MATERIALS, KIT AND FRUITS FOR ORPHANAGE CHILDRENS”, of SATYA SAI MAHILA CHARITABLE TRUST, Bengaluru, on 24th September 2016, from 4.00 pm to 5.00 pm. NSS unit is really thankful to all the faculty members and non teaching Staffs who have helped us directly or indirectly. During the programme, we have distributed many necessary things like pens, pencils, erasers, books, soaps, fruits etc. to more than 30 Orphanage students. At the end of the programme Students wished our beloved Chairman a VERY HAPPY BIRTHDAY.

VOLUNTARY BLOOD DONATION CAMP

Title of the Event: Voluntary Blood Donation Camp

Event Day: One Day (10/03/2017)

Time: 09.00 AM-3.00 PM

Venue: ACSCE Campus

Report:

The NSS Unit of ACSCE has conducted a VOLUNTARY BLOOD DONATION camp in the campus in association with the RajaRajeswari Medical College & Hospital, Lion's Club Bangalore- South, Rashtrathana Blood Bank & Red Cross on 10.03.2017. The Camp was started at 09.30 AM in the morning and continued up to 3.00 PM.

The Principal, Dr. M.S. Murali Prof. Elangovan, Vice Principal, Mr. M.S. Shivakumar, NSS Programme Coordinator, Gopinath Rao, Gangappa Gowda, Lions Club, Dr. Latha, RRMCH, has inaugurated the camp by lighting the lamp. After the inauguration, the Principal & Lions Club Presidents have addressed all the volunteers & students about the importance and benefit of this type of camps. Mr. M.S. Shivakumar, NSS Programme Coordinator & HOD Dept. of Chemistry, motivated the students and the Volunteers.

The faculty members like Dr. Pradeepa S.M, Mr. Venkatesh T, Dept. of Chemistry, Dr. Veena B.H, HOD, Mr. Raghavendra K, Mrs. Deepa, Dept. of Mathematics have very actively participated & involved in the Camp throughout the day. Senior faculty members such as, Dr. Selvanandan, HOD, Dept. of Physics, Dr. Pradeep B.S, HOD, Dept. of CSE, Mr. Anand. M.H. Dept. of EEE have also encouraged & supported us during the camp.

More importantly, nearly 50 NSS volunteers from various branches of ACSCE have attended & involved in the camp very enthusiastically. During this camp, about 223 units of blood have been collected successfully. We take this opportunity to thank all the teaching and non teaching members who have supported us directly or indirectly. Finally, The NSS unit of ACSCE thanks the management (RRGI) for their continuous support and appreciation for all our activities.

Indian Institute of Science

Open Day Visit March 4, 2017

- 1. Type of Event:** IISc Visit for First year Students
- 2. Event Duration:** Open Day (04/03/2017)
- 3. Venue:** Indian Institute of Science, Bangalore
- 4. Event Coordinators:** Mr.Venkatesh.T, Mr. Raghavendra K, Ms.Shruthi, Dr.Bhavya shri, Mrs. Anandhi and Mr. Lokanadham.
- 5. Outcome of the Program:**

The first year students of all branches(AE,BME,CSE,CV,ECE,EEE&ME) of Engineering and the basic science faculties visited IISc on 04/03/2017, open day. The Research activities of all the departments were displayed. The students and the faculties had a good interaction with the researchers. They were able to know the current innovative research works being carried in all departments. The students found greater interest in the field of nano science and its applications especially the mechanism of dust free particles in the room. The other interesting application was the unmanned aero vehicle. The students were very enthusiastic and the visit was motivational for their further study and research.

NSS EYE DONATION AWARENESS PROGRAM REPORT

Title of the Event: NSS Eye Donation Awareness Program

Event Date: 24/08/2016

Time: 11.30 AM-12.30 PM

Venue: ACSCE Auditorium

Report:

The NSS Unit of ACSCE has organized an Eye Donation Awareness program in association with RajaRajeswari Medical College and Hospital (RRMCH), Bengaluru, on 24/08/2016 in ACSCE Auditorium. Mr. M.S. Shivakumar, NSS Programme Officer & Asst. Professor, Dept. of Chemistry stood as the Event Co-Ordinator and successfully well organized this function. The above event was well supported by the faculty members Dr. Veena B.H, Dr. Selvanandan, Dr. Pradeepa S.M, Mr. Raghavendra K, Dr. Pradeep Kumar K.T, Mr. Venkatesh T and Mrs. Anandhi. The NSS Volunteers and the Students of ACSCE were participated enthusiastically.

The programme begins with welcome address by Dr. Bhavyashree and she welcomes Dr. Koushal, HOD, Dept. of Ophthalmology, Dr. Shivakumar and their team to the program. Dr. Shivakumar has given an eye Donation Awareness Presentation. During his presentation he explains about

- **Eye Donation and How is this helpful?,**
- **Why should our eyes be donated? ,**
- **Who all can donate their eyes? ,**
- **What is the procedure?,**
- **Whom should we contact to donate eyes?,**
- **Steps to take care for donation of the eyes, What is an eye bank?, and**
- **POINTS WORTH TO BE NOTED.**

Finally, he suggested us to TAKE CARE OF OUR EYES Because THEY ARE GOD'S GIFT TO BE PASSED ON.

Finally, more than 150 students from various branches of ACSCE had given the pledge to donate their eyes and in order to save two blinded persons. We acknowledge the continuous support of our Management (RRGI) for conducting the program.

NSS PLANTATION CAMP REPORT

Title of the Event: NSS Plantation Camp

Event Duration: One Day (23/08/2016)

Time: 10.00AM-2.00 PM

Venue: ACSCE College Road

Report:

The NSS Unit of ACSCE has conducted a Plantation Camp on 23/08/2016 in ACSCE College Road. The Camp was started at 10.00 AM in the morning. The Principal Dr. M.S. Murali inaugurated the camp by planting and watering a plant. After that he addressed all the volunteers about the importance and benefit of this type of camps. Mr. M.S. Shivakumar, NSS Programme Coordinator & HOD Dept. of Chemistry, motivated the students and volunteers. The faculty members like Dr. Pradeepa S.M, Mr. Venkatesh, Dept. of Chemistry, Mr. Raghavendra K, Dept. of Mathematics have very actively participated & involved in the Camp throughout the day. Senior faculty members such as Dr. Selvanandan, Dept. of Physics, Dr. Veena B.H, dept. of maths, Dr. C.S. Pillai, Dept. of CSE have also encouraged us during the camp. More importantly, more than 30 NSS volunteers from various branches of ACSCE have attended & carried the camp very enthusiastically with lot of interest. During the camp we have successfully planted around **75** plants. At the end of the day, Our management (RRGI), encouraged and appreciated our work. The NSS unit of ACSCE thanks the management for their continuous support and appreciation for all our activities. Finally, the above mentioned camp was also appreciated by the localities and the passengers who are travelling in that road during the camp.

To

Date: 10th March 2016

The Principal
ACSCE, Bengaluru
Respected Sir,

Subject: Environmental Awareness Program and Swach Bharat Abhiyan – Report – Reg.

The NSS Unit of ACS College of Engineering conducted a “**Environmental Awareness and Swach Bharat Abhiyan**” Program on 9th March 2016 from 10:30 am to 3:30 am in the Doddabelle Village close to ACSCE, Bengaluru in association with the Department of Civil Engineering. Prior permission for conducting the aforesaid program was obtained from the Government Primary School of the Village and the Grama Panchayath.

On 9th March 2016, a team of faculty members, NSS Volunteers and civil engineering students left the ACSCE at 10:00 am in the college bus provided by Management and reached the Government School at 10:20 am. The inauguration of the program was marked by a function held in the school which was presided by the Head Mistress Mrs.C.Gayathri. Mr.L.Shivaraju, President of Karnataka State Primary School Teachers Association, Mr. Ramanna, SDMC Member, our Principal Dr. M.S. Murali, Mr. Shivakumar M.S, NSS Programme Coordinator, Dr. Pradeepa S.M, Dept. of Chemistry, I/C HOD-Civil Dr. W.P. Prema Kumar and Faculty coordinators Mrs. Gayathri and Mr. Shashi Kiran and faculty members Mrs. Umadevi and Mr. Vishwanath were present. Mr. L. Shivaraju and Dr. M.S.Murali addressed the school students as well as our Volunteers & civil engineering students. After the inauguration, sweets were distributed to the school students.

The Volunteers & civil engineering students performed a skit in front of the school students bringing out the importance of cleanliness, discipline etc. The students were taken to the class room and detailed environmental awareness was provided by our civil engineering

students with the aid of power point slides, explanations, specially prepared posters etc. for about one and half hours. The session was quite interactive and the responses of the school students to queries raised were admirable.

After this the school students were each given one note book, one pencil and one eraser. This program came to an end at 1:30 pm. It was a big success. The school teachers, NSS Volunteers, civil engineering students and faculty members of ACSCE and others involved deserve to be lauded for their efforts, cooperation and coordination. At 2:00 pm the Volunteers & civil engineering students performed a skit in the village stressing the importance of keeping the environment clean in the presence of villagers and later went about cleaning some of the streets of the village. This program ended at 3:15 pm. Overall, it was a well planned and executed program intended for the village school students and villagers.

Thanking you,

Yours sincerely

About NSS

The **National Service Scheme** (NSS) is an Indian government-sponsored public service program conducted by the Department of Youth Affairs and Sports of the Government of India. Popularly known as NSS, the scheme was launched in Gandhiji's Centenary year, 1969.

About the Programme

The computer system is not a simple machine. It is like a very modern and highly complex calculator. It can do all the functions at a speedy rate and also helps us to search and progress in our homes and businesses. A computer can therefore be called a calculator with a twist for not only does it perform fast calculations, but it also has other special characteristics. The computer has thoroughly changed the way we witness things, with its special auto correcting tools, which work with all languages, all logic and all subjects.

World Environment Day 2018

Every year World Environment day is observed on June 5th. This day is celebrated to encourage the awareness and environmental protection. According to United Nations the celebration of this day provides us with an opportunity to broaden the basis for an enlightened opinion and responsible conduct by individuals and community in preserving and enhancing environment.

We at ACSCE from Department of Civil Engineering celebrated this day on 5th June 2018 by conducting various activities such as quiz (Environmental Awareness), planting samplings.

A questionnaire on environmental awareness was prepared and competition was conducted for the students. Later samplings and plants were rooted by our beloved principal Dr. M. S. Murali in presence of all HOD's and staffs. Program was concluded with oath taking in par with maintaining good sustainable environment.

RALLY REPORT

We the **NSS & Biomedical Department of ACSCE** Organized a Rally & awareness programme on “Say No to Crackers” in and around kengeri upanagar on October .17. 2017.

We obtained Police inspector & traffic police permission for the conduction of Rally from Kengeri police station on 16/10/2017.

Sl .No.	Time	Event	Faculty coordinator
1	11:45 AM	Wrist bands are provided to maintain uniformity among students of ACSCE.	
2.	12:00 AM	Instructions were given to students to maintain discipline & to follow the rules & regulations	
2.	12:30PM 4:00PM	<ul style="list-style-type: none">• Rally with posters, slogan & charts.• Skit performances by the Biomedical Students.	Dr. Anitha S Mrs. Vamshadeepa Mr. Naveen T S Mr. Hemanth Kumar G

Rally & awareness was based on following themes: why you should give up bursting crackers

1) Smog

2) Fire accidents

3) Other living beings/pets

4) Garbage

6) Crackers affect new-borns and pregnant women

7) Harmful gases in the air

5) health benefits from Mud diwaas

The program concluded with providing Refreshments for the students.

We started our journey at 11:45 am at ACS college of Engineering.

Rally march at kengeri upanagara.

Skit performance by our students.

Another scene from the skit.

Enthusiastic participation from students.

Active support from the senior citizens.

Environmental Consciousness and Sustainability / Alternate Energy initiatives such as: Percentage of annual power requirement of the College met by the renewable energy sources

1. Replacement of CFL Tube lights with Led Lights:

- During April 2017 – March 2019, a Total of 3750 tube lights (36 Watt) were replaced with 18 W LED Lights, which resulted in Total savings of 197100 units and a saving of Rs 15,07,815 (Rs 15 lakh).
- Similarly in above duration a total of 7515 Tube lights (40 Watt) were also replaced by 18 W LED lights resulting in savings of 482763 units and of additional Rs.3693,136.
- Thus, altogether Total saving of 6,79,863 Units were saved affecting savings of Rs 52,00,951 (Say 52 lakh) in two years time.
- On the expenditure front, a total of 10,965 LED lights @ Rs 400 each costs Rs 45,06,000 (say Rs 45 lakh) which is recoverable in two year time.

2. Solar Thermal Energy Harnessing:

In order to conserve the electrical energy in the boys and Girls Hostels, a total of 96 Solar Water Heating Panels and 12 tanks have been installed and operated on day today basis. This has eliminated the use of electrical geysers in the hostels as the hot water is required round the year in Bangalore climate

Photo: Solar Panels for water heating

7.1.7 Initiatives taken by the institution to make the campus eco-friendly

Regulatory Compliances:

In order to comply with the regulatory stipulations, ACSCE from time to time, has been renewing the Consents to operate and Authorizations for Waste Management from the Karnataka Pollution control Board.

1. Municipal Solid Waste Management:

- Non Hazardous solid waste (MSW) generated from the canteens, hostels, colleges and hospital is collected separately and disposed through the vendors.
- The management is now working on a two bin collection system towards segregation of wet and dry waste and subsequent disposal of wet waste through Bio- digestion and recovery of Biogas for its utilization in the canteen.
- The Bio-digester having capacity to handle 500 kg waste/ day is under construction and estimated to generate approximately 2 cylinders of equivalent LPG gas/day. Compost (120 Kg/day) shall be yet another product from the digester, thus making premises as zero garbage.

Biogas Plant Under
Construction
Project accepted by DST, GOI for future
Research on Waste Management

Capacity 500 kg solid waste/day, Biogas = 2 cylinders/day and Compost = 100 Kg/day

500 Kg/day capacity Biogas Tank Under construction

2. Water Supply, Sewage Disposal and Water Conservation:

- In order to meet day today requirement for the fresh water, a total of 17 Bore wells have been installed in the premises and underground water is supplied to Hospital, Colleges, Canteens and the Hostels. In order to control the hardness of the water, all together 6 RO plants have also been installed to meet the drinking water demand.

- With a view to comply with the stipulations of the KSPCB, the Management has installed a 300 KLD sewage treatment plant to treat the sewage from the hostels and canteens and 32KLD of waste water is supplied.
- Since the management has created a sizable Cricket ground and stadium, there is a significant demand of water to maintain the green grass on the ground. This demand is met from the treated sewage from the 300 KLD STP and thus fresh water is conserved to that extent.
- Similarly the use of treated sewage in secondary flushing in toilets also reduces the demand for the fresh water to that extent.

3. Rain Water Harvesting:

- In order to minimize the abstraction of ground waters, maintain the underground water table and control the hardness of the water supplied in the campus, the rain water potential has also been estimated for its tapping.
- As per the scheme the roof top water shall be collected in the underground tanks/sumps, whereas the water collected from paved and unpaved areas shall pass through grease cum silt trap and clean water shall be either directly used or shall be used for recharging the existing bore wells within the campus as per drawings.
- One such Rain water harvesting tank near Students mess is shown below. Similar structures shall be replicated at different locations within premises and other institutions.

Rain Water Harvesting System near Students Mess

4. Sewage Treatment and Disposal:

- Waste Water is treated in 300 KLD STP which receives waste water primarily from the hostels, canteen and ACS College of Engineering.
- The treated waste water is utilized for maintaining the green belt in the campus, maintaining green grass on the cricket ground and also for the secondary flushing in the toilets in the hostel buildings.
- The rejects from the RO plants are also used for maintaining the greenery in the campus.
- Thus, significant quantity of fresh water is conserved through utilization of treated sewage

5. Green Campus Initiatives:

i. Use of Battery Operated Carts:

- The Management has procured two battery operated carts for the use within the campus to minimize the movement and pollution arising due to fuel driven vehicles with in the campus.
- Although, the steep slopes within the campus are not bicycle friendly, yet majority of the students and staff prefer walking within the campus as the same is quite compact.
- The Hospitals and Colleges being in sensitive zones, the noise levels are kept to the minimum due to noise less battery operated carts and minimal movement of automobiles within the campus.

Photo: Battery Operated Carts

ii. Green Belt Development:

- The premises has created plant nursery that is responsible to create and maintain greenery within the campus.
- The large sized cricket ground along with other green belt is helpful in creating significant lung space within the campus and thus, improved air quality.
- The STP sludge is used as soil conditioner cum manure for maintaining the entire greenery in the campus. Also the treated sewage imparts Nitrates and Phosphates to the plants and hence a healthy growth.

Green Belt Developments

iii. Conservation of Water Bodies:

- At times the treated waste water is released into the nearby pond whenever the water levels in the pond are lowest. This helps in maintaining the ecosystem and the aquatic life in the pond.
- The diversion of rain water from the premises to this pond also ensures that during monsoon time, the pond must fill to the maximum extent.

Natural Pond filled with Rain + Treated water

iv. Recycling of Hazardous Wastes:

- As the institution operates a fleet of buses to transport the staff and students, the lead acid batteries discarded from these vehicles are sold back to the vendors for the purchase of a new battery. The discarded batteries are subsequently processed to recover lead for making new batteries.
- Similarly the used oil collected from the Diesel Generator sets is also sold to agents for its re-refining and subsequent use as lubricating oils.
- The disposal of e- waste is handled as per the guide lines of Ministry of Environment and Forest, Government of India Notification 2016.

v. Combat Against Global Warming:

- The installation of Biogas digester and use of biogas (2 commercial cylinders / day) shall be a land mark in reducing the green house gases (CO₂, CH₄) release into the atmosphere.
- The green zones shall be fixing CO₂ from the atmosphere and releasing O₂ in the atmosphere shall help in slowing down the global warming.
- The solar panels producing green energy is yet another contribution to minimize the use of energy that is generated using the fossil fuels.

Department of Mathematics

Report of Mathxplore Student activities

The Mathxplore club, conducted a student activity Mathcollage on March 2nd, 2018 5th floor seminar hall, on "The Role of Mathematics in making Digital India", 15 groups of various branches and sections participated in the event, the winners of the event are

I place: Rashmi BS and Pooja D

II place: Niveditha & Shilpa shree

Narendra & Tejas chandra

III Place: Nagesh & karthik

The Department of Mathematics under the Mathematical Club 'Mathxplore' had conducted the following events on

1. Technical Talk: March 5th 2018.

2. Math Collage: March 2nd 2018.

The Programme started with the blessings of God in presence of the dignitaries, Dr.Indira, Prof and HOD, NMIT, Benaguru, Dr. B H Veena,Prof and Head,and other faculties and students.

Mrs.Shruthi T S welcomed the chief guest and the gathering.

A brief report of objectives and activities of the Mathxplore club were informed by Dr. B H Veena Prof and Head.

The Technical Talk on "Introduction and applications of Markov chain's" was given by Dr.Indira Prof and Head,NMIT Benaguru.Her talk was inspiring interactive and informative. She gave several examples of real life which can be solved by Markov Chain Concept.

The programme ended by vote of thanks, Dr.Pradeep kumar K T faculty Dept of Mathematics.

The events were conducted by faculty coordinators Raghavendra K and Shruthi T S and students coordinators. Three groups were declared as winners. The cash Prize and the certificates were distributed to the winners, Participants and the volunteers.

HOD thanked all the faculties, student coordinators, Participants and a mention of special thanks to Raghavendra. K faculty coordinator of the club for his effort in organizing the club events.

NATIONAL SERVICE SCHEME

Title of the Event: Swachh Bharath Abhiyan

Event Day: One Day (05/10/2018)

Time: 11.00 AM-1.30 PM

Venue: ACSCE Campus, RRMCH Bus stop and Mysore Road

Report:

The NSS Unit of ACS College of Engineering has conducted a Swachh Bharath Abhiyan in and around the campus in association with the Youth Red Cross on 05.10.2018. The Camp was started at 11.00 AM in the morning and continued up to 1.30 PM. The Principal Dr. M.S. Murali, Dr. M.S. Shivakumar NSS Programme Officer, HODs of ACSCE, Dr. Pradeepa S M, Youth red cross, Programme office, Raghavendra, Department of Mathematics and NSS volunteers has inaugurated the camp and have very actively participated & involved in the throughout Camp. More importantly, nearly 120 NSS volunteers from various branches of ACSCE have attended & involved in the camp very enthusiastically. We take this opportunity to thank all the teaching and non teaching members who have supported us directly or indirectly. Finally, The NSS and YRC unit of ACSCE thanks the management (RRGI) for their continuous support and appreciation for all our activities.

NATIONAL SERVICE SCHEME

Title of the Event: Voluntary Blood Donation Camp

Event Day: One Day (27/03/2018)

Time: 09.00 AM-3.00 PM

Venue: ACSCE Campus

Report:

The NSS Unit of ACS College of Engineering has conducted a VOLUNTARY BLOOD DONATION camp in the campus in association with the Lion's Club Bangalore- South, Rajarajeswari Medical College & Hospital, Rashtrorathana Blood Bank & Red Cross on 27.03.2018. The Camp was started at 09.45 AM in the morning and continued up to 2.30 PM.

The Principal Dr. M.S. Murali , Dr. M.S. Shivakumar NSS Programme Officer, Lion Sudhakar of Lions Club , HODs of ACSCE and NSS volunteers has inaugurated the camp by lighting the lamp. After the inauguration, the Principal & Lions Club Presidents have addressed all the volunteers & students about the importance and benefit of this type of camps.

The faculty members like Mr. Raghavendra Dept. of Mathematics, Dr. Pradeepa S.M, Dept. of Chemistry and Dr. Veena B.H, HOD of Mathematics have very actively participated & involved in the Camp throughout the day.

More importantly, nearly 60 NSS volunteers from various branches of ACSCE have attended & involved in the camp very enthusiastically. During this camp, about 166 units of blood have been collected successfully. We take this opportunity to thank all the teaching and non teaching members who have supported us directly or indirectly. Finally, The NSS unit of ACSCE thanks the management (RRGI) for their continuous support and appreciation for all our activities.

NSS PLANTATION CAMP REPORT

Title of the Event: NSS Plantation Camp

Event Date : 04/09/2018

Time: 10.30 AM-3.00 PM

Venue: ACSCE College Campus

Report:

The NSS Unit of ACSCE has conducted a Plantation Camp on 04/09/2018 in ACSCE College Campus and ACS College road. The Camp was started at 10.30 AM in the morning. The Principal Dr. M.S. Murali inaugurated the camp by planting and watering a plant. After that he addressed all the volunteers about the importance and benefit of this type of camps. Dr. M.S. Shivakumar, NSS Programme Coordinator & HOD Dept. of Chemistry, motivated the students and volunteers. The faculty members like Dr. Pradeepa S. , Mr. Raghavendra K, Mr. Ranganath.J and Mr. Devaraja(Gardner of RRGI) have very actively participated & involved in the Camp throughout the day. All HODs and faculty members have also encouraged us during the camp. More importantly, more than 100 NSS volunteers and First year students from various branches of ACSCE have attended & carried the camp very enthusiastically with lot of interest. During the camp we have successfully planted around 110 plants. At the end of the day, Our management (RRGI), encouraged and appreciated our work. The NSS unit of ACSCE thanks the management for their continuous support and appreciation for all our activities. Finally, the above mentioned camp was also appreciated by the localities and the passengers who are travelling in that road during the camp.

Title of the Event: International Yoga Day

Event Day: 21/06/2018

Time: 10.00 AM 12.15 PM

Venue: ACSCE Campus

Report:

The NSS Unit of ACS College of Engineering has organized International Yoga Day on 21.06.2018 was started at 10.00 AM in the morning and continued up to 12.15 PM.

The Principal Dr. M.S. Murali, Dr. M.S. Shivakumar, NSS Programme Officer, Mrs. Praneela Udhay of Art of living and HODs of all the department has inaugurated yoga day by lighting the lamp. After the inauguration, the Principal addressed all the gathering about the importance and benefit of yoga. The renowned Mrs. Praneela udhay taught some important basic yogasanas.

The faculty members Prof. Raghavendra, Dept. of Mathematics, Prof. Hemanth Dept. of Biomedical Engg. and Mr. Athipathi raj have actively involved & made the event successful.

Around 55 members attended & involved very enthusiastically. Finally, the NSS unit of ACSCE thank the management (Rajarajeswari Group of Institutions) for their continuous support and appreciation for all our activities.

Report for Introduction to GNSS Seminar

Name of the Event	:	Seminar on “Introduction to GNSS”
Resource Person	:	Mr. Bharathidasan and Ms. S. Sangeetha
Date & Time	:	03.10.2019 & 11.00 AM to 02.00 PM
Venue	:	Seminar Hall – 4, ACSCE.
No. of Participants	:	30 (ASE), III Semester Students + Three AS Staffs, 27 (ASE), V Semester Students.

About the Visit

The Seminar titled “Introduction to GNSS” was organized to enrich the knowledge of Aerospace students to get exposure on Global Navigation Satellite Systems and its applications to various fields.

The program was started at 11.00 AM with the welcome speech by HOD/AS and followed by introduction of the resource person Mr. Bharathidasan and Ms. S. Sangeetha (Accord Software and Systems Ltd) by Mr. J. Siva, Asst. Prof. ASE. The resource person handled an interactive session about the fundamentals of GPS, Glonass, IRNSS, Compass, QZSS and Galileo. The contents of this talk were related to navigation systems and its applications in civil and defence sector. The resource person shared the information about the importance of the following aspects and also hands on experience was given in multi view GNSS receiver manufactured by Accord.

C/No

Satellite visibility

Position estimation.

Data extraction

Internships, Placements and Projects

GNSS Simulator

In between interaction with students and questionnaire to test the ability of students and the resource person motivated the students to enrich their skills. The students were expressed that this program was highly useful to them to develop their career in avionics field. Finally, the seminar was ended with vote of thanks by Ms. Sushmitha Asst. Prof.

Report for System Tool Kit Software Seminar

Name of the Event	:	Seminar on “System Tool Kit Software”
Resource Person	:	Mr. Dhanish from SS Technologies
Date & Time	:	19.03.2019 & 2.40 PM to 03.40 PM
Venue	:	Seminar Hall – 3, ACSCE.
No. of Participants	:	30 (ASE), IV Semester Students + Three AS Staffs,

About the Seminar

The Seminar titled “System Tool Kit Software” was organized to enrich the knowledge of Aerospace students to get exposure on STK Software.

The program was started at 1.40 PM with the welcome speech by HOD/AS and followed by introduction of the resource person **Mr. Dhanish from SS Technologies** by Mr. Madhu Kiran Reddy, Asst. Prof. ASE. The resource person handled an interactive session about the fundamentals of STK Software and its applications in space and military systems. Systems Tool Kit (STK) is the premier software for providing four-dimensional modeling, simulation, and analysis of objects from land, sea, air, and space in order to evaluate system performance in real or simulated-time. The contents of this talk were related to complex analyses of ground, sea, air, and space assets, and share results in one integrated solution. The resource person shared the information about the importance of the following aspects.

The core of STK is a geometry engine for determining the time-dynamic position and attitude of objects.

The spatial relationships among the objects under consideration including their relationships or accesses given a number of complex, simultaneous constraining conditions.

To solve problems involving Earth-orbiting satellites.

Applications in the aerospace and defense communities

In between interaction with students and questionnaire to test the ability of students and the resource person motivated the students to enrich their skills through different case studies as it's still beginning vast domain. The students were expressed that this program was highly useful to them to develop their career in aerospace field. Finally, the seminar was ended with vote of thanks by Mr. J. Siva Asst. Prof.

SWACHH BHARATH ABHYAAN

ON 6/3/2020

@ BHEEMANAKUPPE LAKE

Department of Biomedical Engineering under BLAZE (Biomedical Student Association) organized and successfully conducted Swachh Bharath Abhyaan on 06/03/2020. Biomedical Faculties & Biomedical Students Visited Bheemanakuppe lake ,6th and 4th sem students along with faculties reached the lake with Gloves, Masks, Ginny bags, Dust pans, garbage baskets and brooms. We divided the lake Bank into 6 parts. Each part was assigned to group of 8 students. Bottles, Plastics and papers were picked from all the parts and completed the cleaning process. The waste sacks were dispatched to the nearby BBMP waste collection unit.

DEPARTMENT OF BIOMEDICAL ENGINEERING

Webinar on "Hiv Awareness Program"

Open for all

Resources Person:

Dr Satyanarayana.V. M.B.B.S, M.D

Professor, Department of Pharmacology

RRMCH, BANGALORE

Date: 2/12/2019, Monday

Time: 10:30 AM to 12:00 PM

ABOUT RESOURCE PERSON:

- Member of Academy Of Clinical Microbiologist (ACM)
- 15+ years of experience in handling subjects for UG and PG.
- Guided UG and PG projects.
- Published no of papers in reputed Journals

ABOUT EVENT:

HIV stands for human immunodeficiency virus. It weakens a person's immune system by destroying important cells that fight disease and infection. There is currently no effective cure for HIV. But with proper medical care, HIV can be controlled. Some groups of people in the United States are more likely to get HIV than others because of many factors, including their sex partners and risk behaviors. This section will give you basic information about HIV, such as how it's transmitted, how you can prevent it, and how to get tested for HIV.

BRIEF INTRODUCTION ABOUT SPEAKER:

An academician and administrator with 23+ years of teaching experience in the field of Engineering. Her areas of research work include VLSI Technology, Solar cells, Patch antennas and thin film technology. Received research guidance for M.Tech.andPh.D from Dr.G.MohanRao and Dr.K.J.Vinoy, Professor ,I.I.S.c , Bangalore respectively. Published more than 45 papers in both National /International journals and conferences. Received “Best Recognition Award” for Outstanding Contribution as a Technical Mentor towards Research Publication, Karnataka State Inter Collegiate VLSI Design contest in 2012, “Best Mentorship award” from RV-VLSI Design Center for two consecutive year 2011 and 2012.

Worked as “Board of Examiners”for Department of Electronics at Bangalore University for the year 2019-20, for department of Electronics and Communication Engg at VTU for the year 2017-18.Was appointed as the “Member of the Local Inquiry Committee”by Honorable Vice Chancellor of VTU, Belagavi for the academic year 2018-19. Was member for confidential work at Karnataka Examination Authority, Malleswaram, Bangalore on the 22/5/2017 and 23/5/2017 which was assigned by VTU, Belagavi. Was also one of the “Observers”at Dayananda Sagar College of Engg” on 6th May, 2012 for COMED-K Examination 2012.

NEED OF THE EVENT:

All students are exposed to microwaves radiations round the clock without know their efforts. To educate the students in this pandemic, an initiate was taken form dept of ECE to inform them the side effects of exposing the body due to micro waves for either short durations/ long durations.

Points discussed:

- Role of Microwave in EM spectrum.
- Effects Of Radiation on Eye, Eyes, Ear, Brain
- Damage on DNA
- Tips To Reduce Cell Phone Radiation Exposure
- Impact of E-Waste In Human Body
- Effect on Birds
- Easy Ways to Reduce your Exposure To EM.
- Simple Precautions to be taken.

CET Code : E186 COMED-K : E003 PGCET : T918

BRIEF INTRODUCTION ABOUT SPEAKER:

Mrs. Deepa Rani Shekar,
Founder Director ,
Transform Life Program

The Seminar talk on “**The magic of switch words and healing**” was conducted by the renowned energy healing facilitator Mrs. Deepa Rani Shekar. Mrs. Deepa is a passionate psychological counsellor with over 25 years of experience in the field of

counseling and healing. She was an academican by profession with over 20 years of teaching experience in a first grade college. She is also a motivational speaker and has conducted various personality development programs for corporate. Mrs. Deepa is currently the founder director of Transform Life Programs which is a learning center and clinic that deals with various issues that affect the human beings such as cancer , depression etc.

Mrs. Deepa started the seminar by emphasizing the importance of healing and the magic of switch words in day to day life. She gave a analysis with real life experience of recovering from injuries using switch words. Switch words are the **WORDS** that can quickly switch your energy from one dimension to the other dimension. It means that words have the **power to change your energy**. All words can become Switchwords. All words have some power to become Switchwords. So it is very simple to understand that those words which have the power to switch your energy are called Switch words for you. Switchword phrases are the phrases made out of combinations of a few effective Switchwords without using and following any grammatical rules.

NEED OF THE EVENT:

Heal your life without medicines. Switchword phrases have energies of combination Switchwords to attain desired results. Many Switchwords can be **clubbed together** to create a Switchword phrase in order to acquire the power of many Switchwords into one phrase for quick results.

Title of the Event: **Say No To Plastic –Under Unnat Bharat Abhiyan And Nss**

Event Day: 01-10-2019

Time: 10:00AM To 1:30PM

Venue: Government High School, Yerehalli.

ACTIVITIES DONE:

- Conducted Awareness session to avoid plastics for the school Children
- Collected Plastics inside and surroundings of school
- Insisted students to keep the school campus clean.

Department of Mathematics
MATHXPLORE-2K20
Report on Student activities

Department of mathematics conducted the following two activities

i. **“Hunky Brains”**-Math quiz

ii. **“Tech Intellect”**- Power point presentation on Application of Mathematics in Engineering

Hunky Brains-Math quiz was held on 4th March 2020 at 5th floor seminar hall. 110 groups (group of Two) of participants of all branches and of all semesters participated in prelims. Among 110 groups 17 groups were selected for quiz contest. Five rounds were conducted to select the five finalists. The last two rounds of the contest was for the winners.

The following were the winners of quiz

1st Place: Abhilash and Shashidhar (1st year E)

2nd Place: Preethi and Muddamma (1st year C)

3rd Place: Joyel and Vishnu Prasad (3rd Year AE)

The Highlight of this event is the students of 3rd year AE had organized this event.

Tech Intellect : The topic of the PPT was application of mathematics in engineering. 14 groups had participated in the event. The participants were from first year to third year students of all branches . The students PPT was really good , the contents and the applications chosen was of current problems in real life like traffic jams, medical applications , cryptography etc.,

The winners of the event are

1st Place: Jeevan and Akhila (3rd year ME)

2nd Place: i) Ashok and Jagadish (3rd Year AS)

ii) Rudrapratap singh and Vatsal (3rd year CSE)

3rd Place: Syamili and Rakshitha (2nd year CSE-B)

AERONAUTICAL ENGINEERING

Title: Webinar on Gender issues in Education

Resource Person: Mr.Satish Hiremath

Managing Director,

Aerolance Pvt Ltd, bangalore

Topic: Gender Issues

Date: 28th Dec 2020

Time: 4.00 PM to 05.00 PM

Mode: MS Team App

Target Participants: 74 Students and 15 faculties

About the Talk:

The session was organized to create awareness to ACSCE students and faculties about the gender issues and how our education system undermines gender equality. The program was started at 04.00 PM with the welcome speech by Dr.Ramanan, HOD/Aeronautical. The resource person handled an interactive session about there is a huge gender gap in education around the globe which can be a result of many intersectional identities. The most common explanations for this gender gap are poverty, geographic remoteness, violence, disabilities, lack of infrastructure, or belonging to a minority ethno-linguistic group. The data ranges in different regions with the highest rates of gender inequality in education in Africa, South Asia, and the Middle East.

He also pointed that understanding the connection between gender inequality and the lack of education opportunities can improve more sustainable development outcomes. Gender inequality cripples a nation's economy at the expense of women. Policies and gender roles affect a nation's education system by either not having a safe space for

young girls to learn or not letting them have the opportunity of a quality education. According to UNESCO, an average of 130 million girls between the age of 6 and 17 are out of school and 15 million girls of primary-school age will never enter a classroom. Finally the session _ended with discussion and vote of thanks by Mr.Dhanyaprakash R Babu, Associate Professor, Aeronautical Engineering.

No.of Participants	:	80 Students + 3 AS Staffs,

About the Webinar

The Webinar titled “Introduction to GNSS Simulator” was organized by Aerospace department to help the students in gaining knowledge in GNSS Simulator.

The program started at 02.00 PM with the welcome speech by HOD/AS and trailed by introduction of the key speaker Ms Sangeetha S by Mr. J. Siva, Asst. Prof. ASE. She has briefed about the GNSS simulator which emulates the environment of a GNSS receiver on a dynamic platform by

- Modelling vehicle and satellite motion,
- Signal characteristics,
- Atmospheric and other effects,
- Causing the receiver to actually navigate according to the parameters of the test scenario.

In between communication with students and questionnaire to test the ability of students, the resource person inspired the students to enrich their skills using personality development courses and interpersonal skills. The students expressed that this program was highly useful to them to develop their career in the field of GNSS Simulators. Finally, the webinar was ended with vote of thanks by HOD/AS.

DEPARTMENT OF BIOMEDICAL ENGINEERING
REPORT OF GOVT. SCHOOL ACTIVITIES, ANCHEPALYA BANGALORE
COVID AWARENESS PROGRAM

ON 27/3/2021

ACTIVITIES DONE:

- Distributed masks.
- Importance of social distancing, wearing masks and sanitization using the mnemonic 'SMS' was explained.
- Activity - Spread of virus was demonstrated using color.

ACS College of Engineering
Approved by AICTE New Delhi, Affiliated to VTU, Belagavi
(A Unit of RajaRajeswari Group of Institutions)
CET Code : E188 COMED-K : E003 PG CET : T918

DEPARTMENT OF BIOMEDICAL ENGINEERING
REPORT OF GOVT. SCHOOL ACTIVITIES, ANCHEPALYA BANGALORE
PLANTATION PROGRAM
ON 29/3/2021

ACTIVITIES DONE:

- 9 saplings of Indian Beech tree (Honge) , Poppy (gasagase) and Neem were planted.
- Medicinal importance of these plants were also indicated and explained.

DEPARTMENT OF BIOMEDICAL ENGINEERING
REPORT OF GOVT. SCHOOL ACTIVITIES, ANCHEPALYA BANGALORE

SCIENCE EXPERIMENTS AND OTHER FUN ACTIVITIES

ON 31/3/2021

ACTIVITIES DONE:

- Three science experiments were conducted.
- First, 'soap and pepper' was a demonstration on how using soap can repel germs- indicated by pepper.

- Second, 'Pillars' was a demonstration of how weight is distributed in case of square, cuboidal and cylindrical pillars.
- Students actively participated

- Third, 'Tornado' was a demonstration of centripetal force.

Also fun and craft activities were conducted.

DEPARTMENT OF BIOMEDICAL ENGINEERING

Webinar on "HIV Awareness Program"

Open for all

Resources Person: Dr Satyanarayana.V. M.B.B.S, M.D

Professor, Department of Pharmacology

RRMCH, BANGALORE

Date: 24th July 2021 (Saturday)

Time: 11:00 AM to 12:00 PM

About Resource Person:

- 1st Rank in M.D RGUHS Examination
- 20+ years of experience in handling subjects for UG and PG.
- Guided UG and PG projects.
- Published no of papers in reputed Journals

ABOUT EVENT:

HIV stands for human immunodeficiency virus. It weakens a person's immune system by destroying important cells that fight disease and infection. There is currently no effective cure for HIV. But with proper medical care, HIV can be controlled. Some groups of people in the United States are more likely to get HIV than others because of many factors, including their sex partners and risk behaviors. This section will give you basic information about HIV, such as how it's transmitted, how you can prevent it, and how to get tested for HIV.

Virus

- Ultra microscopic infectious particle
- Does not have components of a cell
- Unable to replicate outside of a living host cell
- Parts of a virus particle (Virion)

Genome
(Nucleic acid consisting of either DNA or RNA, not both)

+

Capsid
(Protein shell that surrounds and protects the nucleic acid)

+

Envelope
(Lipoprotein membrane)

HIV 2

- Less transmissible
- Lower viral load
- Slower rate of cd4 decline
- Slower rate of clinical progression
- Less homology with HIV 1.
- Serology negative n 20% - 30% .
- Doubling time is 6-fold longer.

Replicative cycle of HIV

The diagram illustrates the replicative cycle of HIV within a host cell. It shows the virus binding to CD4 and CXCR4 receptors on the plasma membrane, followed by fusion and the release of viral RNA. Key steps include reverse transcription of viral RNA to DNA, integration of the viral DNA into the host genome by integrase, and the production of new viral RNA and proteins. The cycle concludes with the budding of new virus particles from the plasma membrane.

NATIONAL SERVICE SCHEME (NSS) & YOUTH RED CROSS (YRC)

Title of the Event: Voluntary Blood Donation Camp

Event Day: One Day (19/03/2021)

Time: 09.00 AM-3.00 PM

Venue: ACSCE Campus

Report:

The NSS and YRC Unit of ACS College of Engineering has conducted a VOLUNTARY BLOOD DONATION camp in the campus in association with the Lion's Club Bangalore- South, Rajarajeswari Medical College & Hospital & Rashtrrothana Blood Bank on 19.03.2021. The Camp was started at 09.45 AM in the morning and continued up to 2.30 PM.

The Principal Dr. M.S. Murali, Dr. M.S. Shivakumar, NSS Programme Officer, Dr. Pradeepa S M, Youth Red Cross Officer, Lion Sudhakar of Lions Club, HODs of ACSCE and NSS volunteers has inaugurated the camp by lighting the lamp. After the inauguration, the Principal & Lions Club Presidents have addressed all the volunteers & students about the importance and benefit of this type of camps.

The faculty members of Basic Sciences, Dr. Selvanandan, HOD, Dept. of Physics, Dr. Veena B.H, HOD of Mathematics and Ms. Shwetha .K.R have very actively participated & involved in the Camp throughout the day.

More importantly, nearly 50 NSS and 50 YRC volunteers from various branches of ACSCE have attended & involved in the camp very enthusiastically. During this camp and Covid pandemic situation, about 83 units of blood have been collected successfully. We take this opportunity to thank all the teaching and non teaching members who have supported us directly or indirectly. Finally, The NSS and YRC unit of ACSCE thanks the management (RRGI) for their continuous support and appreciation for all our activities.

Report of "National Voters day"

The National Voters day was celebrated in our college on 25th Jan 2023. As per VTEI Notification, the event was observed as Voters Pledge Day. The event began with the Principal briefing the students about the importance of voting and urging to elect the leader of various election bodies to vote without any bias of caste or creed or language. All the students pledged that they would vote without any fear in the upcoming elections.

Dr. M. S. Murall, Principal ACSCE, briefing the students about the pledge

NSS PLANTATION CAMP REPORT

Title of the Event: NSS Plantation Camp

Event Date : 20/03/2021

Time: 10.30 AM-3.00 PM

Venue: ACSCE College Campus

Report:

The NSS Unit of ACSCE has conducted a Plantation Camp on 20/03/2021 in ACSCE College Campus. The Camp was started at 10.30 AM in the morning. The Principal Dr. M.S. Murali inaugurated the camp by planting and watering the plant in the ACSCE campus. After that he addressed all the volunteers about the importance and benefit of this type of camps. Dr. M.S. Shivakumar, NSS Programme Coordinator motivated the students and volunteers. The faculty members are Dr. Selvanandan S. , Mr. Krishnakumar, and Mr. Devaraja (Gardner of RRGI) have very actively participated & involved in the Camp throughout the day. All HODs and faculty members have also encouraged us during the camp. More importantly, more than 50 NSS volunteers from various branches of ACSCE have attended & carried the camp very enthusiastically with lot of interest. During the camp we have successfully planted around 100 plants. At the end of the day, Our management (RRGI), encouraged and appreciated our work. The NSS unit of ACSCE thanks the management for their continuous support and appreciation for all our activities.

NATIONAL SERVICE SCHEME (NSS) & YOUTH RED CROSS (YRC)

Title of the Event: COVID-19-Vaccination Drive

Event Day: Two Days (02/07/2021 and 09/07/2021)

Time: 09.00 AM-3.00 PM

Venue: ACSCE Campus

Report:

The NSS and YRC Unit of ACS College of Engineering have conducted a COVID-19-Vaccination Drive in the campus in association with Primary Health Center Kumbalagodu, BBMP on 02/07/2021 and 09/07/2021. The drive was started at 09.45 AM in the morning and continued up to 3.00 PM.

The Principal Dr. M.S. Murali, Dr. M.S. Shivakumar, NSS Programme Officer, Dr. Pradeepa S M, Youth Red Cross Officer, , HODs of ACSCE and NSS volunteers has inaugurated the camp by lighting the lamp. After the inauguration, the Principal addressed the importance and benefit of this Vaccination Drive.

The faculty members of Basic Sciences, have very actively participated & monitored the students and staffs in the drive throughout the day.

During this drive around 600 members of the institution including Students Faculties, non teaching Staffs have been vaccinated successfully. We take this opportunity to thank all the teaching and non teaching members who have supported us directly or indirectly. Finally, The NSS and YRC unit of ACSCE thanks the Primary Health Center Kumbalagodu, BBMP and the management (RRGI) and for their continuous support and appreciation for all our activities.

Report of "National Voters day"

The National Voters day was celebrated in our college on 25th Jan 2023. As per VTEI Notification, the event was observed as Voters Pledge Day. The event began with the Principal briefing the students about the importance of voting and urging to elect the leader of various election bodies to vote without any bias of caste or creed or language. All the students pledged that they would vote without any fear in the upcoming elections.

Dr. M. S. Murall, Principal ACSCE, briefing the students about the pledge

NSS PLANTATION CAMP REPORT

Title of the Event: NSS Plantation Camp

Event Date : 20/03/2021

Time: 10.30 AM-3.00 PM

Venue: ACSCE College Campus

Report:

The NSS Unit of ACSCE has conducted a Plantation Camp on 20/03/2021 in ACSCE College Campus. The Camp was started at 10.30 AM in the morning. The Principal Dr. M.S. Murali inaugurated the camp by planting and watering the plant in the ACSCE campus. After that he addressed all the volunteers about the importance and benefit of this type of camps. Dr. M.S. Shivakumar, NSS Programme Coordinator motivated the students and volunteers. The faculty members are Dr. Selvanandan S. , Mr. Krishnakumar, and Mr. Devaraja (Gardner of RRGI) have very actively participated & involved in the Camp throughout the day. All HODs and faculty members have also encouraged us during the camp. More importantly, more than 50 NSS volunteers from various branches of ACSCE have attended & carried the camp very enthusiastically with lot of interest. During the camp we have successfully planted around 100 plants. At the end of the day, Our management (RRGI), encouraged and appreciated our work. The NSS unit of ACSCE thanks the management for their continuous support and appreciation for all our activities.

Conducted

“Career Guidance Program”

25/3/2021

The Department of CSE, ACSCE Conducted Career Guidance Program to Madiwala Govt PU students, Madiwala Rd, Sidharata Colony, Madiwala, 2nd Block, Koramangala, Bengaluru, Karnataka 560034.

The detailed report of FDP as follows.

Topics Discussed

- Career Goal Setting
- Career Planning or 9P
- Be Visionary
- Commitment
- Achievement & Appraisal
- Blow your trumpet
- Wide open
- Self Employment
- Opportunities
- Higher Education

Career choice - one of the most important milestones in an individual's life involves self analysis, critical thinking and finally decision making.

The choice of the career is influenced by views of your parents, friends, relatives, teachers and the media. Today with a wider choice and an ever increasing competition, you need to plan your career wisely and at the earliest.

While choosing a stream after 12th, a training course or a career you should know your abilities, interests, aptitudes and personality. Besides these you should gather information regarding different career options, the eligibility criteria, the premier institutions/universities, and other criteria of selection and the market demands.

Career guidance and counseling programs help individuals acquire the knowledge, skills, and experience necessary to identify options, explore alternatives and succeed in society.

It is a comprehensive, developmental program designed to assist individuals in making and implementing informed educational and occupational choices. A career guidance and counseling program develops an individual's competencies in self-knowledge, educational and occupational exploration, and career planning.

Organized

3 DAYS SKILL DEVELOPMENT PROGRAM FOR MBBS STUDENTS-ICT TOOLS

The Department of CSE, ACSCE organized “Skill Development Program on ICT tools for MBBS Students” during the Covid-19 lockdown period on 15-17 Feb 2021. The detailed report of SDP as follows.

Resource Person’s: Department of CSE Faculties

SDP DETAILS:

1. Event date: 15-17 Feb 2021
2. The Total Number of Participants: **200**

ABOUT THE SDP

The session was started with the welcome note by Dr.Senthil Kumaran T, Professor CSE department, has addressed about the skill development program on ICT Tools and he introduced our HOD, CSE department Dr. V Mareeswari. Our HOD welcomed all the participants for the SDP and she addressed the benefits of learning ICT Tools. Later she handover the session to department faculties ,they discussed about the following topics in the SDP.

ICT Tools: This session gave tips to students on how to become efficient through learning the basics of ICT tools stand for Information Communication Technology tools. The ICT tools means to digital infrastructures like computers, laptops, printers, scanners, software programs, data projectors, and interactive teaching box.

The ICT devices are the latest tools, concepts and techniques used in student-to-teacher, student-to-student interaction for example: - clicker devices, mobile applications, flipped classroom) for information and communication technology.

➤ **Objectives**

- To make them understanding and familiarize by utilizing tools such as MS OFFICE,GOOGLE SHEETS,GOOGLE POWER POINT,etc.
- To spread awareness about the social impact of technological change in education.
- Promoting and improving the digital culture in universities, colleges, and schools.
- Provide the facility for easy student management.
- Improved modes of communication.

➤ **Discussed**

- How to utilize the google products in their daily life.
- Discussed about the importance of NPTEL & Swayam.
- An overview of MS OFFICE and its benefits.

The session was very interactive finally the faculties concluded the session with question and answer from the participant side then Dr.Mareeswari V, HOD CSE department concluded the session with the vote of thanks.

BRIEF INTRODUCTION ABOUT SPEAKER:

An academician and administrator with 23+ years of teaching experience in the field of Engineering. Her areas of research work include VLSI Technology, Solar cells, Patch antennas and thin film technology. Received research guidance for M.Tech.andPh.D from Dr.G.MohanRao and Dr.K.J.Vinoy, Professor ,I.I.S.c , Bangalore respectively. Published more than 45 papers in both National /International journals and conferences. Received “Best Recognition Award” for Outstanding Contribution as a Technical Mentor towards Research Publication, Karnataka State Inter Collegiate VLSI Design contest in 2012, “Best Mentorship award” from RV-VLSI Design Center for two consecutive year 2011 and 2012.

Worked as “Board of Examiners”for Department of Electronics at Bangalore University for the year 2019-20, for department of Electronics and Communication Engg at VTU for the year 2017-18.Was appointed as the “Member of the Local Inquiry Committee”by Honorable Vice Chancellor of VTU, Belagavi for the academic year 2018-19. Was member for confidential work at Karnataka Examination Authority, Malleswaram, Bangalore on the 22/5/2017 and 23/5/2017 which was assigned by VTU, Belagavi. Was also one of the “Observers”at Dayananda Sagar College of Engg” on 6th May, 2012 for COMED-K Examination 2012.

NEED OF THE EVENT:

All students are exposed to microwaves radiations round the clock without know their efforts. To educate the students in this pandemic, an initiate was taken form dept of ECE to inform them the side effects of exposing the body due to micro waves for either short durations/ long durations.

Points discussed:

- Role of Microwave in EM spectrum.
- Effects Of Radiation on Eye, Eyes, Ear, Brain
- Damage on DNA
- Tips To Reduce Cell Phone Radiation Exposure
- Impact of E-Waste In Human Body
- Effect on Birds
- Easy Ways to Reduce your Exposure To EM.
- Simple Precautions to be taken.

Safety measures to be taken care by kids in absence of parents.

CONTENT

- Child safety
- Home Safety
- Road Safety
- Personal Safety
- 5 Golden Reminder
- The Red Cross First Aid App

BRIEF report :

The Child Safety week is celebrated on 14th - 20th November every year. Safety is the state of being "safe", the condition of being protected from harm or other danger. Safety can also refer the control of recognised hazards in order to achieve acceptable level of risk.

Home Safety : Never use any electrical appliances if you are wet.

Road Safety : We should always cross the street walking through pedestrian crossing.

Personal Safety: We should never reveal our personal information to the strangers. Never accept any gifts/chocolates/any other kind of things from a stranger.

5 Golden Reminder: Be Honest , Be Responsible, Be Respectful of Others , Be kind ,Polite and caring ,Be a Good Listener.

The Red Cross First Aid App: The first aid app puts expert advice for common emergencies at your fingertips . This app can help SAVE LIVES, simple step by step instructions.

NATIONAL SERVICE SCHEME (NSS) & YOUTH RED CROSS (YRC)

Title of the Event: Voluntary Blood Donation Camp

Event Day: One Day (19/03/2021)

Time: 09.00 AM-3.00 PM

Venue: ACSCE Campus

Report:

The NSS and YRC Unit of ACS College of Engineering has conducted a VOLUNTARY BLOOD DONATION camp in the campus in association with the Lion's Club Bangalore- South, Rajarajeswari Medical College & Hospital & Rashtrorathana Blood Bank on 19.03.2021. The Camp was started at 09.45 AM in the morning and continued up to 2.30 PM.

The Principal Dr. M.S. Murali, Dr. M.S. Shivakumar, NSS Programme Officer, Dr. Pradeepa S M, Youth Red Cross Officer, Lion Sudhakar of Lions Club, HODs of ACSCE and NSS volunteers has inaugurated the camp by lighting the lamp. After the inauguration, the Principal & Lions Club Presidents have addressed all the volunteers & students about the importance and benefit of this type of camps.

The faculty members of Basic Sciences, Dr. Selvanandan, HOD, Dept. of Physics, Dr. Veena B.H, HOD of Mathematics and Ms. Shwetha .K.R have very actively participated & involved in the Camp throughout the day.

More importantly, nearly 50 NSS and 50 YRC volunteers from various branches of ACSCE have attended & involved in the camp very enthusiastically. During this camp and Covid pandemic situation, about **83 units of blood** have been collected successfully. We take this opportunity to thank all the teaching and non teaching members who have supported us directly or indirectly. Finally, The NSS and YRC unit of ACSCE thanks the management (RRGI) for their continuous support and appreciation for all our activities.

Report of “National Voters day”

The National Voters day was celebrated in our college on 25th Jan 2021. As per VTU Notification, the event was observed as Voters Pledge day. The event began with the Principal briefing the students about the importance of voting and further to elect the leader of various election bodies to vote without any fear or bias of caste or creed or language. All the students pledged that they would vote without any fear in the upcoming elections.

Dr.M.S.Murali ,Principal ACSCE, briefing the students about the pledge
