About the Seminar on Finishing IT Placement Training Program

The seminar titled “Finishing IT Placement Training Program” was organized to enrich the knowledge of CSE students to get exposure on problem solving skill, programming skill and the way to convert the concept into code.

The program was started at 2.00 PM with a welcome speech by Dr. Senthil kumaran T, Associate Professor, CSE followed by general addressing and introduction of the resource person Mr. K. Ravindra by Dr. B. S. Pradeep, Prof. & HOD, CSE. The resource person handled an interactive session about the fundamentals of programming. In his session he clearly explained about C programming and how it's executed with hardware. The contents of this seminar were in the focus of surviving by knowledge and the resource person shared the information about the importance of the following aspects.

- ✓ Knowledge esteem
- ✓ Different types of OS in olden days
(Linux-386 system, DOS, Windows 3.1 and etc)
- ✓ Updating knowledge through online study
- ✓ Becoming Industry Ready Programmer

In the middle of the seminar self assessment test was conducted to test the ability of students and the resource person motivated the students to enrich programming skills through different case studies. The students were replied that this program was highly useful to them to develop their career in software field. Finally the seminar was finished with vote of thanks by Dr. V. Mareeswari, Associate Professor, faculty convener of this seminar at 4:00pm.
