## Policy for Disabled (Divyangjan)

ACS College of Engineering, an institution of academic excellence was established in the year 2009 with a cherished desire to serve the cause of humanity through education. ACSCE equips its students not only with the technical knowledge to enable them to meet the challenges of global standards but also integrates value education, environmental awareness and communication skills into its curriculum to mould the students as responsible citizens.

ACS College of Engineering provides barrier-free environment where people with disabilities can move about safely and freely and use the facilities within the built environment. The environment supports the independent functioning of individuals so that they can participate without assistance in everyday activities within the campus.

The Government of India formulated the national policy for the persons with the disabilities in the year 2006, which deals with educational rehabilitation of person with disabilities, therefore in this view, the ACSCE has adopted and implemented these policies in the teaching and learning process. The institution identified the person with disabilities and creates a proper environment system, which should provide equal opportunities, protection of their rights and make them to participate in the academic activities.

**The institution is implemented the following policies for disabled persons:**

1. To ensure that the design of the building with ramps with rails, Stair case railings, lifts for easy access to classrooms.
2. To ensure the accessible, gender-sensitive disabled-friendly washrooms are arranged in all the floors.
3. To ensure proper Signage including tactile path, display boards and signposts helpful for the person visually impairments.
4. To ensure proper usage of signs of male and female symbols with raised outlines and bright color contrast
5. To ensure provision for assistive technology and wheel chair provision for the persons with disabilities (*Divyangjan*)
6. Provision for enquiry and information: Human assistance, reader, scribe, soft copies of reading materials.
