

DEPARTMENT OF BIOMEDICAL ENGINEERING

SWACHH BHARATH ABHYAAN

ON 6/3/2020

@ BHEEMANAKUPPE LAKE

Department of Biomedical Engineering under BLAZE (Biomedical Student Association) organized and successfully conducted Swachh Bharath Abhyaan on 06/03/2020. Biomedical Faculties & Biomedical Students Visited Bheemanakuppe lake ,6th and 4th sem students along with faculties reached the lake with Gloves, Masks, Ginny bags, Dust pans, garbage baskets and brooms. We divided the lake Bank into 6 parts. Each part was assigned to group of 8 students. Bottles, Plastics and papers were picked from all the parts and completed the cleaning process. The waste sacks were dispatched to the nearby BBMP waste collection unit.

Under the BLAZE (Biomedical Students association) Our BIOMEDICAL Students have gotten together with sheer enthusiasm and effort, cleaned plastics, bottles and residual waste which were clogged in the Bheemanakuppe lake shores and harming the lake ecosystem.

Event Conducted : March 6th 2020

Participants : Biomedical Faculties and Biomedical Students.
