Respected Sir,

Subject: One day Workshop on Algorithmic Thinking & Problem Solving regds.

Adverting to the above subject, department of CSE is interested to organize a One day workshop on 'Algorithmic Thinking & Problem Solving' under the banner of Computer Society of India student chapter on 3.4.2018 at 10:00am for all CSE students in the Seminar hall1.

Resource person is Prof. Dr. S. R. Subramanya, Professor, President & CEO of Exskillence, School of Engineering and Computing, National University, San Diego, CA, USA, who is presently available in India and expressed his interest to conduct a workshop upon our humble request.

The concept and his session would certainly Transforms Engineering Students/graduates and staff w.r.t algorithmic design technique, apply solution development, evaluation of solution and etc that would definitely benefit our students as they are studying related subjects in the curriculum, project applications and need to learn the requirements of industry for a better IT career and get exposure to the integrated programming and technologies in the above mentioned field.

This is a One day workshop and resource person expressed not to collect money from students, but expressed an honorarium may be given. Hence we request you to sanction Rs.5000/- towards the same with directions for necessary arrangements from our side. Kindly oblige and permit to conduct the same.

Thank you,
