**Organized event on**

**“Dussehra festival and Mobile Application Development Lab for inauguration”**

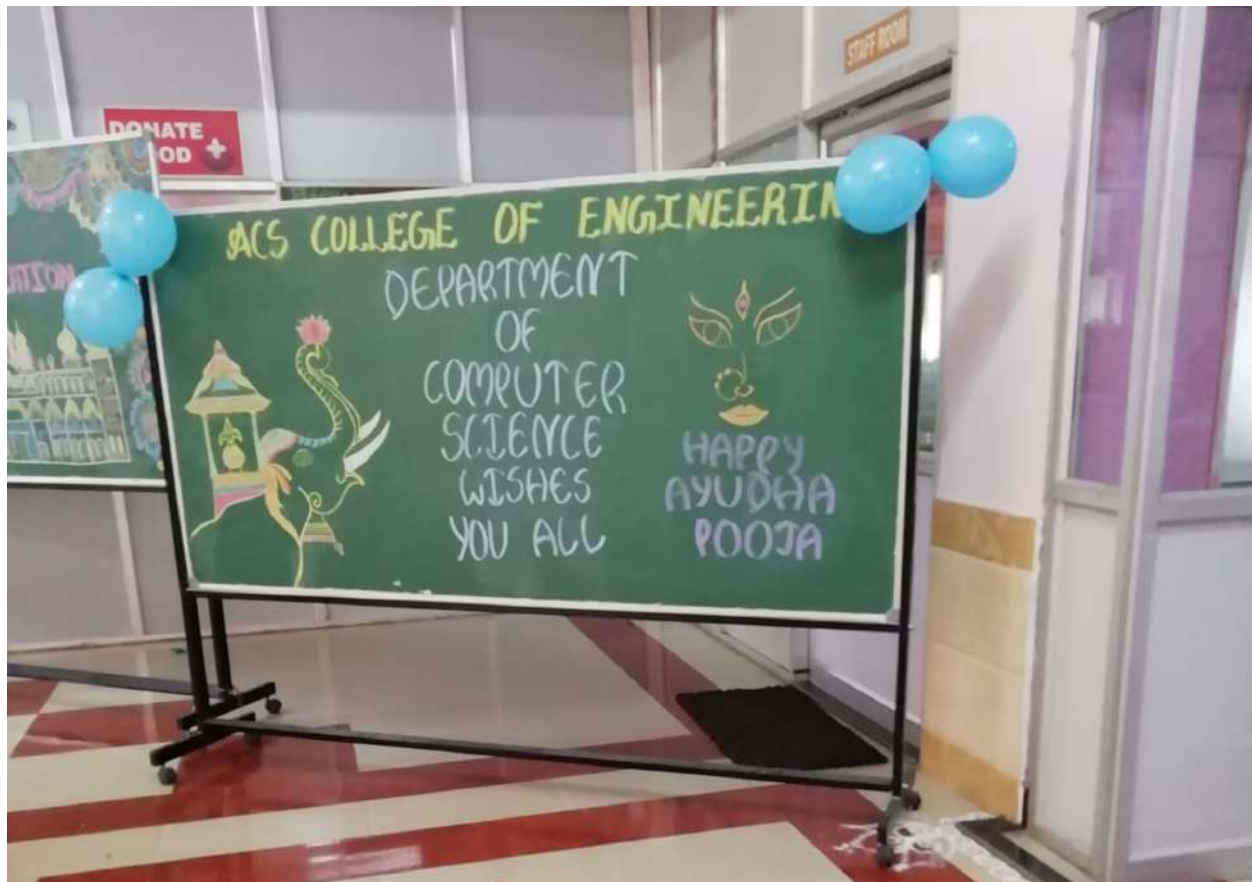

**DATE: 16-10-2021**

The Department of CSE, ACSCE celebrated Dussehra festival on 15th October 2021. The students and staff of the CSE department participated in the festival.

Colorful rangolis were drawn to decorate the premises.

Boys decorated the labs and department with color full balloons and flowers.

As per the tradition of “Ayudh Pooja”, the computer systems and textbooks were worshiped along with Lord Ganesh, Lakshmi and Saraswathi. The pooja started with a devotional song by 5th semester students. Later sweets were distributed. Among the participants was the College Principal Dr. M S Murali.

Then, staff, students along with principal headed towards “Mobile Application Development” Lab for inauguration.

Below, picture shows the Principal inaugurating the lab.

Below picture shows Dr. Senthil Kumaran, dean for research department, opening the Android studio application in the lab.

The principal congratulated and wished all students and staff for their bright future. Students were advised to be regular in the classes.

Dr. V Mareeswari, HOD, Dept. of CSE also encouraged students for extracurricular activity. Finally, festival ended with clicking photos and selfies.
