As per the tradition of “Fresher’s Day”, the fresher’s from 3<sup>rd</sup> and 5th semester students were welcomed. The College Principal Dr. M S Murali inaugurated the Aarambha 2k21.

Dr. M S Murali spoke few words as follows-

It is with hopes and aspirations, dreams and ambitions that you are on this Campus this morning. You are raring to go.

Everything is new for you—new classrooms, new teachers, new friends and even new technology. But this Institution towers tall and has stood here like a spreading tree of knowledge for decades. So you have come to a place which has a rich tradition.

Finally the principal heartily welcomed each one wishing that “you find the best time of your life during the course of study here. Never lose sight of your goals and let love be girded and guarded with patience. Life ahead can be exciting. **Wish you all God’s best in your studies!!”**.

Later, Dr. Senthil Kumaran, dean of research department congratulated students for entering CSE department and wished them **GOOD LUCK!!** For their new journey with CSE department.

Also, he remembered **Charles Babbage**, a mathematician, philosopher, inventor and mechanical engineer, Babbage originated the concept of a digital programmable computer.

Dr. Senthil Kumaran, inspired the young minds by briefing about his inventions and his achievements,
