No of Student Participants	: 124 Students
No of Faculty Participants	: 15

About the Event:

The department of Aeronautical Engineering organized a Skill Development Program on Evaluation of Engineering Science in India on 8th Dec 2022. The program was started at 02.00 PM with the welcome speech and introduction about the guest by Dr.G.Ramanan, HOD, AE Department. The resource person handled an interactive session about the scientific evaluation assists us in: computing the research performance, comparison with peers, forecasting the growth, identifying the excellence in research, citation ranking, finding the influence of research, measuring the productivity, making policy decisions, securing funds for research and spotting trends. He also explained about the benefits of evaluation and feedbacks are helps in refining the program in system engineering. It offers information on the effectiveness of a program carried

out after the program design completion. It also reduces the risk, thus increasing the system's performance engineering. At the end of session the vote of thanks was proposed by Mr.Satish Hiremath, Assistant Professor, AE Dept. The entire programme was co-ordinate with the support of the management, Principal, faculty, Professors and students of the Aeronautical Engineering, ACSCE.
