

## DEPARTMENT OF BIOMEDICAL ENGINEERING

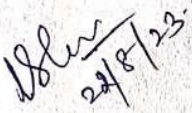

### Session Report

Session Title	Technical Talk on "Wearable Electronics in Health Care- An Insight"		
Date & Time	11/08/2023	AN	2.00PM to 4.00PM
Name of the Resource Person	Dr. N. Sriraam Professor, Department of Medical Electronics Engineering, M S Ramaiah Institute of Technology, Bangalore		
Key Points Delivered	<ol style="list-style-type: none"><li>1. Different Applications illustrating wearable electronics</li><li>2. Current Scenario demanding the need for wearable electronics</li><li>3. An overview of IEEE-EMBS</li></ol>		
Number of Students Present	30		
Snap shot of the event	 		

The session was briefed out about the various applications of wearable electronics in health care. The current scenario was taken as an example and the need for wearable electronics was explained session. A brief overview on the importance of IEEE Engineering in Medicine and Biology Society was given.
