

MEMORANDUM OF UNDERSTANDING

Prinston Smart
Engineers

(MOU) BETWEEN

ACS COLLEGE OF ENGINEERING,

DEPT OF ELECTRONICS & COMMUNICATION ENGINEERING,

PRINSTON SMART ENGINEERS

The Memorandum of Understanding is made between Department of Electronics & Communication Engineering, ACS College of Engineering and PRINSTON SMART ENGINEERS, to promote the cooperation in Workshops, Internships Conferences and Seminars/webinars would be mutually beneficial. The areas of cooperation may include, subject to mutual consent, any desirable and feasible activity that would further the goals of each institution. Such interaction may include cooperation in a variety of joint academic and educational activities such as:

- *To conduct the conferences, seminars/webinars workshops and internships.*
- *Should accommodate the UG students in such a number that industry deems convenient to it for the purpose of imparting industrial training and internships.*

The parties anticipate that a number of these initiatives will occur during the period of this MOU i.e (MAY 2023 to MAY 2028). However, neither party is obligated to agree to any minimum number of activities, nor is this MOU intended to preclude either party from entering into similar agreements with other institutions.

The following initiatives provide good starting places and can be implemented as soon as administrative details are agreed upon between the two institutions:

This MOU shall be identified as the parent document of any program agreement executed between the parties. Further agreements concerning any program shall provide details concerning the specific commitments made by each party and shall not become effective until they have been reduced to writing, executed by the duly authorized representatives of the parties.

This Agreement shall become effective upon being signed by both parties.
