Department of Biomedical Engineering Organizes Seminar On

"Research Skill and Practice"

Resource Person : Dr. R. Balakrishna, Dean,
RajaRajeswari College Of Engineering

Date: 14th October 2022 | Time: 10.00AM

Venue: 3rd floor, Seminar Hall

COORDINATORS

Dr. Anitha S (Prof. Dept. of BME)
Mrs. Uma D (Asst. Prof. Dept. of
BME)

HOD, BME

Dr. P. Bhuvaneshwari

PRINCIPAL

Dr. M.S. Murali

Program Schedule

1. Invocation Song
2. Welcome speech by Dr. P. Bhuvaneshwari
3. Resource Person Introduction
4. Seminar session by Resource Person
5. Vote of Thanks

DEPARTMENT OF BIOMEDICAL ENGINEERING

Report on Seminar

Name of the Event: Seminar on “Research Skill and Practice”

Date and Time: 14th October 2022 | 10.00AM to 12.30PM

Venue: Seminar hall 3

Number of Participants: 46 Students + 9 Staff

**Resource Person: Dr. R. Balakrishna
Professor & Dean
Rajarajeswari College of Engineering
Bangalore-74**

About the Seminar on Research Skill and Practice

The seminar titled "Research Skill and Practice" was organized to enrich the knowledge of Biomedical students to get exposure on how to do research, how to read a paper, how to select the topic for research, progressive research, how to identify the best sources and research tools, and how to write the paper and publish it in good website.

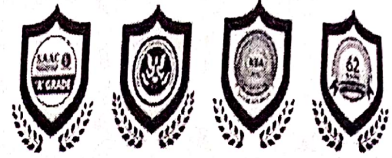

The program was started at 10.00 AM with a welcome speech by Dr.P.Bhuvaneshwari, Head of Biomedical department, followed by general addressing and introduction of the resource person Dr. R. Balakrishna, Professor & Dean Rajarajeswari College of Engineering by our final year student Indushree KP. The resource person handled presentation and it was an interactive session about the Research. In his session he clearly explained about Research method and how to publish paper. The contents of this seminar were in the focus of surviving by knowledge and the resource person shared the information about the importance of the following aspects.

- How to select Topic for Research
- How to read the paper
- How to get connected with the Smart people
- How to deal with failure during research process
- How to choose the advisor
- How to publish and where to publish paper
