Date & Time	:	22.11.2023 & 11.00 AM
Venue	:	Seminar Hall.
No. of Participants	:	80 Students.

About the Seminar

The career guidance program on Career Track-Data Analytics was organized to motivate and impart knowledge on Data Analytics towards career path for Aeronautical and Aerospace Engineering students.

The program was started at 11 am with the welcome speech by Mr. Siva J, Assistant Professor of Aerospace Department and he also introduced the resource person **Mr. Deepak Kharol** to the gatherings. The resource person handled a very interesting session on Data Analytics and Python. The resource person outlined the following points.

Overview of SkilloVillo and their vision

Courses and Add-ons offered

Excel: Beginner to Advanced

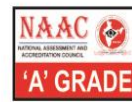

Data Visualization in Tableau

Power BI

Python &

Project based learning on Data Science

At the end of the session, students interacted with the resource person to clarify their doubts in the topic and the resource person motivated the students to enrich their skill in Python and Data Science to enhance their employability. Students expressed their gratitude that the

DEPARTMENT OF AEROSPACE ENGINEERING

program was highly informative and interesting. Finally the seminar ended with the vote of thanks by Dr.Suresh C, Associate Professor, Aerospace Department.
