INTERNSHIP CERTIFICATE

Dear Sir/Madam,

This is to certify that **Mr Adarsha A M (1AH20AE001)** has successfully completed an internship program from 04 September 2023 to 06 October 2023 in the Design Department of our organization.

The internship is a bonified record of work carried out under the supervision and guidance of Mr. Jeevan M – Chief Operating Officer, 21C LABS.

During this period of the internship, the student was found to be performed as per below factor.

- ☐ Satisfactory
- ☒ Average
- ☐ Could have done better

We wish her/him a successful career ahead..

DATE:16-2-24

Dear Sir,

Sub: Internship for your students regarding

With reference your letter dated 14-02-2024.

Anjali .R(1AH20AE003),

Chandhan Kumar N.L. (1AH20AE009),

The above students are permitted to undergo internship at our organisation, we will send complete structure of training in few days. This will be completed after team discussion with your students. So for all your students showed excellent interest on the subject.

Basically we are machine manufactures for automobile, aerospace and food and other industries. This includes automation, plating, ultrasonic cleaning. We innovate every machine based on the customer requirements. We innovate every machine based on the customer requirements.

Apart from we manufacture specialised chemicals for the industry needs. We do make in India for chemicals being imported.

Now we are collaborating with US organisations for their need of making cutting fluids for aerospace industries.

We are guiding your students to apply their thought on cutting edge technology on the effect of cutting fluids on basic alloys used in aerospace industries.

During project

We introduce your students to

What are cutting fluids?

Types cutting fluids,

Limitations of cutting fluids in aerospace industries,

Interaction of cutting fluid with base materials,

Identifying greener chemicals for making cutting fluids suitable for aerospace and aeronautics.

Identification of recipe for green cutting fluids,

Learn properties of composition,

Preparation of recipe,

Evaluation and testing cutting fluids-design of analysis,

Analyse results,

Conclusion.

Will discuss with students on progress reporting on weekly basis with college. We are looking forward to allow students the students to concentrate on project without break during week days. Request you to allow students to go work on the project.

We will send you pupil for exams during course of the project. We will train your students apart from the project to learn about how industries are working. This exposure will help students learn better on industrial environments. Request yourself to pay visit to our organisation to know your students progress

Looking forward

G.SHIVARAM

DIRECTOR-OPERATIONS, VPS TECHNOLOGY

INTERNSHIP CERTIFICATE

Dear Sir/Madam,

This is to certify that **Mr AJAY (1AH20AE002)** has successfully completed an internship program from 21 August 2023 to 24 September 2023 in the Design Department of our organization.

The internship is a bonified record of work carried out under the supervision and guidance of Mr. Jeevan M - Chief Operating Officer, 21C LABS.

During this period of the internship, the student was found to be performed as per below factor.

INTERNSHIP CERTIFICATE

We are glad to inform that Nikhal Singh from ACS College of Engineering has successfully completed the internship program at Pegasus Aerospace Systems from 07/08/2023 - 27/09/2023.

During the internship, the candidate was exposed to various activities and discussion in the internship division, the candidate also closely worked as a part of the Project trainee programme and the candidate successfully completed the role of project trainee entitled as "CUBESAT" at Pegasus Aerospace Systems.

We found the candidate to be extremely inquisitive and hard working. The candidate was much interested in learning the functions of our core division and also willing to put best efforts to understand the subject and willing to work towards creative thinking. The candidate worked in various software and met the objectives of the project.

The candidate's association with us was very fruitful and we wish him all the best in his future endeavours.
