International Yoga Day is celebrated annually on June 21st. It aims to raise awareness about the benefits of practicing yoga and promote global health, harmony, and peace. The idea was proposed by Prime Minister Narendra Modi of India and was first observed in 2015. Yoga, an ancient practice originating from India, encompasses physical, mental, and spiritual disciplines aimed at achieving holistic well-being. On Yoga Day, people around the world participate in yoga sessions and events to celebrate its positive impact on overall health and wellness.
