Event Report (AY2024-2025)

Name of the Event	: Seminar on Design Innovation for Successful Career in Aeronautics/Aerospace
Date & Time	: 30/09/2024 from 10.30 am to 12.30pm
Place	: AE Seminar Hall
Resource Person	: Mr.Dhanish Abdul, System Engineer, SS Tech
No of Student Participants	: 76 Students
Event Coordinators	: Mr.Sarath Kumar S, Asst. Professor, AE

About the Event:

The Department of Aeronautical Engineering organized an insightful seminar titled "Design Innovation for a Successful Career in Aeronautics/Aerospace" on 30th September 2024. The seminar took place in the AE Seminar Hall and witnessed active participation from 95 students across various semesters. The event commenced with a welcome address by Dr.G.Ramanan, Head of the Department, who highlighted the importance of the session. The session was graced by Mr. Dhanish Abdul, System Engineer at SS Tech, who delivered an engaging and informative talk. He emphasized the crucial role of design innovation in the rapidly evolving aerospace industry and how it acts as a catalyst for career growth and technical excellence.

Mr. Dhanish shared real-world industry insights, case studies, and personal experiences that highlighted the significance of creativity, critical thinking, and interdisciplinary knowledge in aircraft and spacecraft design. He also shed light on emerging technologies and the growing need for innovation-driven engineers in today's competitive aerospace sector. Students found the session highly beneficial, as it broadened their understanding of career opportunities and the skills required to excel in design-oriented roles. The seminar concluded with an interactive Q&A session, where students clarified their doubts and

sought guidance on career paths, certifications, and industry expectations. The event was well-received and appreciated by all students, and the department extended its gratitude to Mr. Dhanish Abdul for his valuable contribution. At the end of session the vote of thanks was proposed by Dr. Radhakrishnan, Associate Professor, AE Dept. The entire programme was co-ordinate with the support of the management, Principal, Faculty, Professors and students of the Aeronautical Engineering, ACSCE.
