

## Department of Electronics and Communication Engineering

### Industrial visit

to

### “Incap Contract Manufacturing Services Pvt. Ltd.”

**Event: Industrial Visit**

**Date: 26.04.2025 (Saturday)**

**Time: 02.00 P.M. to 3.00 P.M.**

**Visit Location:** Incap Contract Manufacturing Services Pvt. Ltd. Survey No 36-39, Post, Hirehalli, Pandithanahalli, Tumakuru, Karnataka 572104

### Programme Objective

Familiarize students with PCB assembly, testing, and quality assurance processes. Understand supply chain management and logistics in contract manufacturing. Learn about innovation and technology trends in electronics manufacturing.

### Program Outcome

- 1. Practical Insights:** Students gained hands-on understanding of electronics manufacturing processes, including PCB assembly, testing, and quality control.
- 2. Industry Understanding:** Students developed a deeper understanding of industry standards, best practices, and regulatory requirements in contract manufacturing.
- 3. Career Awareness:** Students interacted with industry professionals, gaining insights into career paths, job roles, and industry expectations.
- 4. Real-World Applications:** Students observed real-world applications of theoretical concepts, bridging the gap between academics and industry.

**5. Skill Development:** Students developed critical thinking, problem-solving, and analytical skills through observations and interactions.

**6. Networking Opportunities:** Students established connections with industry professionals, potentially opening doors for future collaborations or employment.

**7. Industry-Academia Connection:** The visit strengthened the connection between academia and industry, highlighting the importance of practical experience in education.

**6. Networking Opportunities:** Students interacted with ISRO scientists and engineers, establishing valuable professional connections.

**8. Critical Thinking:** The visit encouraged critical thinking, problem-solving, and analytical skills among students.

**9. Interdisciplinary Understanding:** Students gained insights into the interdisciplinary nature of space research, involving engineering, physics, mathematics, and computer science.

**Number of participants: 55 students of ECE Department + 2 faculties**

**Event Co-ordinator:**

**Mrs, Susmitha B C Assistant Professor – ECE**

**Mr. Nagesh H B Assistant Professor- ECE**
