

DEPARTMENT OF AERONAUTICAL ENGINEERING

Event Report (AY2024-2025)

Name of the Event	: Parents Teachers Meeting
Date & Time	: 17/05/2025 from 08.30 am to 12.30pm
Place	: AE Department
Event Coordinators	: Mr.Dhanyaprakash R & Mr.Albert, Asst. Prof, AE

About the Event:

The Department of Aeronautical Engineering, ACS College of Engineering, organized a Parents Teachers Meeting (PTM) on 17th May 2025 from 8:30 AM to 12:30 PM at the department premises. The meeting served as a vital platform for interaction between faculty members and parents, aimed at reviewing the academic progress, attendance, and overall performance of students during the ongoing academic year 2024–2025.

The event commenced with a welcome address by the Head of the Department, who highlighted the importance of parent-teacher collaboration in achieving academic excellence and student development. Faculty members presented a detailed overview of students' academic records, internal assessments, attendance status, and participation in co-curricular and extracurricular activities. Parents were encouraged to share their feedback and suggestions regarding the teaching-learning process, student discipline, and support systems provided by the department.

Several parents appreciated the department's continuous efforts in maintaining academic quality and providing individual attention to students. Constructive feedback was also received on enhancing communication and providing additional academic support for slow learners. The meeting also discussed placement readiness, internship opportunities, and student participation in research and innovation activities under various institutional initiatives.

The session concluded with a note of gratitude from the faculty team, assuring parents that their suggestions would be taken into consideration for the continuous improvement of departmental activities. Overall, the Parents Teachers Meeting fostered a strong partnership between the department and parents, ensuring the holistic development and success of Aeronautical Engineering students.
