

Seed Money Project Scheme (SMPS), 2025

The Research Department at ACS College of Engineering is pleased to invite research proposals for the *Seed Money Project Scheme (SMPS), 2025* aimed at supporting faculty members in advancing their research skills and demonstrating their research potential. This initiative is designed to encourage and foster innovative research work in various fields.

Objective:

The Seed Money Scheme aims to provide financial support to promising research projects, helping faculty members enhance their research capabilities and contribute significantly to their respective fields.

Eligibility:

- All faculty members of ACS College of Engineering are encouraged to apply.
- Proposals should demonstrate the potential for meaningful contribution to academic research or innovation.

Financial Support:

- The maximum funding limit for each proposal is ₹5,00,000.

Proposal Submission Guidelines:

- Faculty members are required to submit their research proposals in the prescribed format (which will be enclosed with this announcement).
- Proposals should clearly outline the research objectives, methodology, expected outcomes, and budget breakdown.

Submission Deadline:

- **Last Date for Submission:** 10th July 2025.

We encourage all faculty members to submit their proposals and take advantage of this opportunity to advance their research initiatives.

For further details and to obtain the proposal format, please contact the Research Department.
