

DEPARTMENT OF AERONAUTICAL ENGINEERING

Event Report (AY2024-2025)

Name of the Event	: Industrial Visit to CADMAXX Pvt Ltd, Bengaluru
Date & Time	: 13/11/2024
Place	: CADMAXX Pvt Ltd (manufacturing Unit), VK Nagar, Bengaluru
No of the Participants	: 43 Students + 2 faculty members

About the Event:

An industrial visit to CADMAXX Pvt Ltd, a leading engineering solutions company in Bengaluru, was organized on 13th November 2024. A total of 43 students accompanied by 2 faculty members participated in this informative visit to the manufacturing unit located in VK Nagar, Bengaluru. The objective of the visit was to provide students with practical exposure to the functioning of a real-time engineering industry. Upon arrival, the team was warmly welcomed by the CADMAXX staff, followed by an introductory session highlighting the company's history, core services, and contributions to engineering design and manufacturing.

Students were given a guided tour of the manufacturing facility, where they observed various processes including CAD/CAM modeling, product development, prototyping, and quality control. Industry experts explained the usage of advanced software tools, design methodologies, and the importance of precision in engineering practices. The interactive session with senior engineers allowed students to clarify their doubts and understand industry expectations. This visit significantly enriched the participants' understanding of the theoretical concepts learned in class and their real-world applications. Overall, the visit to CADMAXX Pvt Ltd was a highly beneficial and educational experience for all attendees, bridging the gap between academia and industry.
