|                            |                                                                                           |
|----------------------------|-------------------------------------------------------------------------------------------|
| Name of the Event          | : Seminar on Industry Relevant software: Bridging Academia and Industry with Smart Skills |
| Date & Time                | : 14/11/2024 from 10.30 am to 12.30pm                                                     |
| Place                      | : AE Seminar Hall                                                                         |
| Resource Person            | : Mr.Shekar Mittal & Mrs.Priyanka                                                         |
| No of Student Participants | : 82 Students                                                                             |
| Event Coordinators         | : Dr.Anand & Mrs.Divya A S, Asst. Professor, AE                                           |

#### About the Event:

The Department of Aeronautical Engineering organized an insightful seminar titled "Importance of Industry Relevant Software for a Successful Career in Aeronautics/Aerospace: Bridging Academia and Industry with Smart Skills" on 14th November 2024. The seminar took place in the AE Seminar Hall and witnessed active participation from 82 students across various semesters. The event commenced with a welcome address by Dr.G.Ramanan, Head of the Department, who highlighted the importance of the session. The session was graced by Mr.Sunil kumar & team from EduCADD, who delivered an engaging and informative talk. He emphasized the crucial role of design innovation in the rapidly evolving aerospace industry and how it acts as a catalyst for career growth and technical excellence.

EduCADD, a leading name in CAD/CAM/CAE and engineering software training, spearheaded this initiative to equip students with practical knowledge and skills demanded by today's dynamic engineering landscape. The session focused on modern design tools, simulation software, and their real-world applications in the aeronautical sector. These experts delivered engaging and informative sessions that covered key topics such as 3D modeling, finite element analysis, and industry-standard software used in aircraft design and development. Emphasis was placed on how these tools are instrumental in improving engineering accuracy, safety, and efficiency. The seminar also featured interactive discussions, live software demonstrations, and career guidance for students aspiring to

enter aerospace and related engineering fields. Students gained valuable insights into how mastering these tools can make them industry-ready and open up diverse career paths.

Overall, the seminar received an enthusiastic response from students and faculty alike and was appreciated as a practical, insightful addition to the academic curriculum. The event marked a meaningful step towards enhancing industry-academia collaboration.

The seminar concluded with an interactive Q&A session, where students clarified their doubts and sought guidance on career paths, certifications, and industry expectations. At the end of session the vote of thanks was proposed by Dr Anand, Associate Professor, AE Dept. The entire programme was co-ordinate with the support of the management, Principal, Faculty, Professors and students of the Aeronautical Engineering, ACSCE.

Date : 12/11/2024

Dear sir,

Subject : Requesting to conduct seminar on Industry relevant software's- Reg.

I am writing to request permission to conduct a seminar on 14/11/2024(Thursday) at your college on industry relevant software and skills. As a leading provider of CAD/CAM/CAE and other engineering software training, EduCADD aims to bridge the gap between academic curriculum and industry requirements.

In respect of the above, the following persons will be conducting the seminar

1. Mrs. Priyanka N B - Centre Manager / Speaker
2. Mr. Sunil Kumar - Speaker
3. Mr. Shekher Mittal - Speaker
4. Mr. Lakshmi Prasad D N
5. Mr. Shaligram Prasad

We're grateful for your time and consideration.

Thanking You,  
With Regards,  
EduCADD, R R Nagar
