# brahmàstra

BRHM/IN/2023  
10-09-2023, Chennai, India.

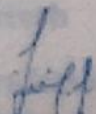

#### CERTIFICATE / LOR

We are glad to inform you that Hrik Chakraborty from ACS College of Engineering has successfully completed the internship program at Brahmastra Aerospace Systems from 14-08-2023 to 10-09-2023

During the internship, the candidate was exposed to various activities and discussions in the internship division, the candidate also closely worked as a part of the Project trainee program and the candidate successfully completed the role of project trainee entitled to 'DETAILED ANALYSIS OF A SHOWER- HEAD INJECTOR ALONG WITH A CD NOZZLE' at Brahmastra Aerospace Systems.

We found the candidate to be extremely inquisitive and hard-working. The candidate was much interested in learning the functions of our core division and willing to put their best efforts to understand the subject and willing to work towards creative thinking. The candidate worked with various software and met the objectives of the project.

The candidate's association with us was very fruitful and we wish him all the best in his future endeavors.

### INTERNSHIP CERTIFICATE

We are glad to inform that MOHAMMAD IQBAL WANI from ACS college of engineering has successfully completed the internship program at Pegasus Aerospace Systems from 07/08/2023 - 27/09/2023.

During the internship, the candidate was exposed to various activities and discussion in the internship division, the candidate also closely worked as a part of the Project trainee programme and the candidate successfully completed the role of project trainee entitled as "CUBESAT" at Pegasus Aerospace Systems.

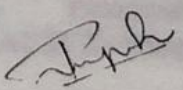

We found the candidate to be extremely inquisitive and hard working. The candidate was much interested in learning the functions of our core division and also willing to put best efforts to understand the subject and willing to work towards creative thinking. The candidate worked in various software and met the objectives of the project.

The candidate's association with us was very fruitful and we wish him all the best in his future endeavours.

### CERTIFICATE / LOR

We are glad to inform you that V. MAHIDAR. C from ACS College of Engineering has successfully completed the internship program at Brahmastra Aerospace Systems from 14-08-2023 to 10-09-2023

During the internship, the candidate was exposed to various activities and discussions in the internship division, the candidate also closely worked as a part of the Project trainee program and the candidate successfully completed the role of project trainee entitled to 'DETAILED ANALYSIS OF A SHOWER- HEAD INJECTOR ALONG WITH A CD NOZZLE' at Brahmastra Aerospace Systems.

We found the candidate to be extremely inquisitive and hard-working. The candidate was much interested in learning the functions of our core division and willing to put their best efforts to understand the subject and willing to work towards creative thinking. The candidate worked with various software and met the objectives of the project.

The candidate's association with us was very fruitful and we wish him all the best in his future endeavors.
