(A Unit of RajaRajeswari Group of Institutions)

## ***Report On Machine learning in Python***

**Name of event** :- *Machine learning in Python*

**Date of event** :- 22<sup>nd</sup> July 2024

**Place of event** :- ACS College of engineering

**Organized by** :- Electronics and Communication Engineering department

**Resource person** :- ***Ms .FARHEEN FARHATH***

### **Introduction**:-

The session was held by Ms .Farheen Farhath and team.

This session was all about letting us know about the machine Learning using python.

### **Information**:-

- The session was all about the machine learning using python.
- It was basically all about the internship. There are 2 phases of internship they are training phase and project phase.
- Training phase is about 30hrs and project phase would last for 1 and half month.
- They will offer the program having a following benefits:
- There will be only practicals and hands on training will be provided.
- Soft copy of offer letter and hardcopy of internship certificate and workshop certificate will be provided.
- Internship certificate will be provided as per university dates.
- The workshop certificate is provided by mynton technology.
- Internship ppt, project demo vedio, individual project for everyone, placement study material and resume format to prepare resumes will be provided.

### **Conclusion**:-

The session was useful not only about the benefits they offer we got to know about the machine learning using python, how will be the internships and placements.
