

DEPARTMENT OF AERONAUTICAL ENGINEERING

Event Report (AY 2025-2026)

Name of the Event	: Mock Interviews for 7th Semester Students
Date & Time	: 26/08/2025, 09:00 AM
Place	: 4th Floor, ACSCE
No of Student Participants	: 43 Students – Final year AE
Event Coordinators	: Dr G Ramanan

About the Event:

The Department of Aeronautical Engineering, ACS College of Engineering, organized **Mock Interviews for 7th Semester Students** on 26th August 2025 at 09:00 AM in the 4th Floor Seminar Hall, ACSCE Campus.

The primary objective of the program was to prepare students for campus recruitment drives and enhance their confidence, communication skills, and technical interview performance. The session aimed at providing a real-time interview experience, helping students understand industry expectations and improve their employability skills.

The mock interview process included:

- Resume screening and evaluation
- Technical interview rounds covering core aeronautical subjects
- HR interview simulation focusing on communication and personality assessment
- Feedback session with improvement suggestions

Interview panels assessed students on subject knowledge, problem-solving ability, project understanding, communication skills, and professional attitude. Constructive feedback was provided individually, highlighting strengths and areas for improvement.

Students actively participated in the session and appreciated the opportunity to experience a structured interview environment before actual placement drives. The activity significantly contributed to boosting their confidence and readiness for upcoming recruitment processes.
