About the Event

Dr. ACS College of Engineering successfully organized its **14th Graduation Day** on **8th September 2026** (Tuesday) at the **ACS Convention Centre, RRMCH Campus** The ceremony was organized with the objective of celebrating the successful completion of the academic journey of the graduating students and recognizing their hard work, dedication and achievements. The occasion also provided an opportunity for the students to receive the blessings and guidance of the management, distinguished guests, faculty members and their parents as they prepared to enter the next phase of their professional lives.

The programme commenced with an invocation song, creating a serene and auspicious atmosphere for the ceremony. The invocation sought blessings for the graduating students and set a meaningful tone for the day's proceedings. The dignitaries, management representatives, faculty members, graduating students and parents were warmly welcomed to the occasion.

The **Principal, Dr. Shylaja B. S.**, extended a cordial welcome to the **Founder Chairman, Dr.A.C.Shanmugam** and expressed her gratitude for his continued support and guidance towards the institution and its students. The Chairman, welcomed the distinguished guests and acknowledged their presence at this important occasion. The presence of eminent personalities from the fields of defence science and industry added great significance to the graduation ceremony and provided the graduates with an opportunity to listen to experienced professionals.

The ceremony was graced by **Dr. Chandramouli Gaddamannugu**, Padma Shri Awardee and Indian Defence Scientist associated with the **Defence Research & Development Laboratory (DRDL)**, as the **Chief Guest**. **Mr. Alexander Rinku**, Director – Human Resources, Oracle, Bengaluru, attended as the **Guest of Honour**. Their presence served as a source of motivation and inspiration for the graduating students.

Celebrating Achievement • Honoring Excellence • Inspiring the Future
14th Graduation Day • Dr. ACS College of Engineering • 8th September 2026

Chairman, Dr. A. C. Shanmugam Presented the Life Time Achievement Award to the Chief Guest Dr. Chandramouli Gaddamannugu

As part of the ceremonial proceedings, the **traditional lighting of the lamp** was conducted by the Chairman, Chief Guest, Guest of Honour and Principal. The lighting of the lamp symbolized the removal of darkness and the spreading of knowledge, wisdom and enlightenment. It also represented the beginning of a new and important journey for the graduating students.

This was followed by the **welcome address by Dr.B.S.Shylaja, Principal, ACSCE**, in which the significance of the Graduation Day was highlighted. The occasion was described as not merely a formal academic ceremony, but as a celebration of the efforts and achievements of the students, faculty members, parents and the institution as a whole. The contribution of parents and teachers in supporting the students throughout their academic journey was also acknowledged.

The **Chairman, Dr. A. C. Shanmugam**, addressed the gathering and conveyed his heartfelt congratulations to all the graduating students. He particularly appreciated the University Rank Holders for their outstanding academic performance and dedication. He encouraged the graduates to remain focused, disciplined and committed to excellence in whatever career they choose to pursue. He wished them success in their professional careers and future endeavours and reminded them to make responsible and meaningful contributions to society.

The Chairman's address also emphasized that graduation marks not an end, but the beginning of a new chapter filled with opportunities and responsibilities. The students were encouraged to carry forward the values, discipline and knowledge acquired during their years at the institution and to continuously upgrade their skills in response to the changing requirements of the professional world.

14th
GRADUATION

The **Chief Guest, Dr. Chandramouli Gaddamannugu**, shared valuable insights from his distinguished career in defence science and research. His address encouraged the graduates to develop a spirit of innovation, curiosity and problem-solving. He emphasized the importance of applying technical knowledge to real-world challenges and encouraged the young graduates to contribute to the development of the nation through their professional expertise and responsible actions.

The **Guest of Honour, Mr. Alexander Rinku**, addressed the graduates from an industry perspective and shared valuable thoughts on building a successful professional career. He highlighted the importance of continuous learning, adaptability, communication skills, teamwork, leadership, professional ethics and industry readiness. His message encouraged the graduates to remain open to learning and to develop both technical and interpersonal skills throughout their careers.

One of the most significant and memorable moments of the ceremony was the distribution of degree certificates and mementos to the graduating students. The degrees and mementos were

presented by the Chairman and the distinguished guests. 463 graduates were attended the ceremony. Receiving the degree certificates marked the culmination of years of academic effort, examinations, projects, practical learning and personal growth. For the students and their parents, this was a moment of immense pride and happiness. The achievements of the University Rank Holders were also recognized and appreciated during the occasion. Their accomplishments served as an inspiration to other students and demonstrated the importance of dedication, perseverance and consistent academic effort.

The ceremony then proceeded to the **Graduation Oath-taking**. The graduating students took the oath with a strong sense of responsibility towards their profession, institution, society and nation. The oath-taking ceremony was conducted with the students holding candles in the presence of the **Indian National Flag**, symbolizing knowledge, integrity, responsibility and their commitment to use their education for the betterment of society. The solemn atmosphere of the oath-taking ceremony reflected the responsibilities that accompany the achievement of a professional degree.

The event also provided an opportunity for the graduates to share this important milestone with their parents and family members, whose encouragement and support played a vital role in their educational journey. The presence of parents added emotional significance to the occasion, as they witnessed their children receive their degrees and move towards the next stage of their lives.

After the formal proceedings, a group photograph of the graduating students was arranged with the Chairman, Principal and Heads of Departments. The photograph captured the memorable moment and served as a lasting record of the 14th Graduation Day. It also reflected the close association between the management, faculty members and graduating students.

Dr.ACS College of Engineering

9	PHD	4
TOTAL		**463**

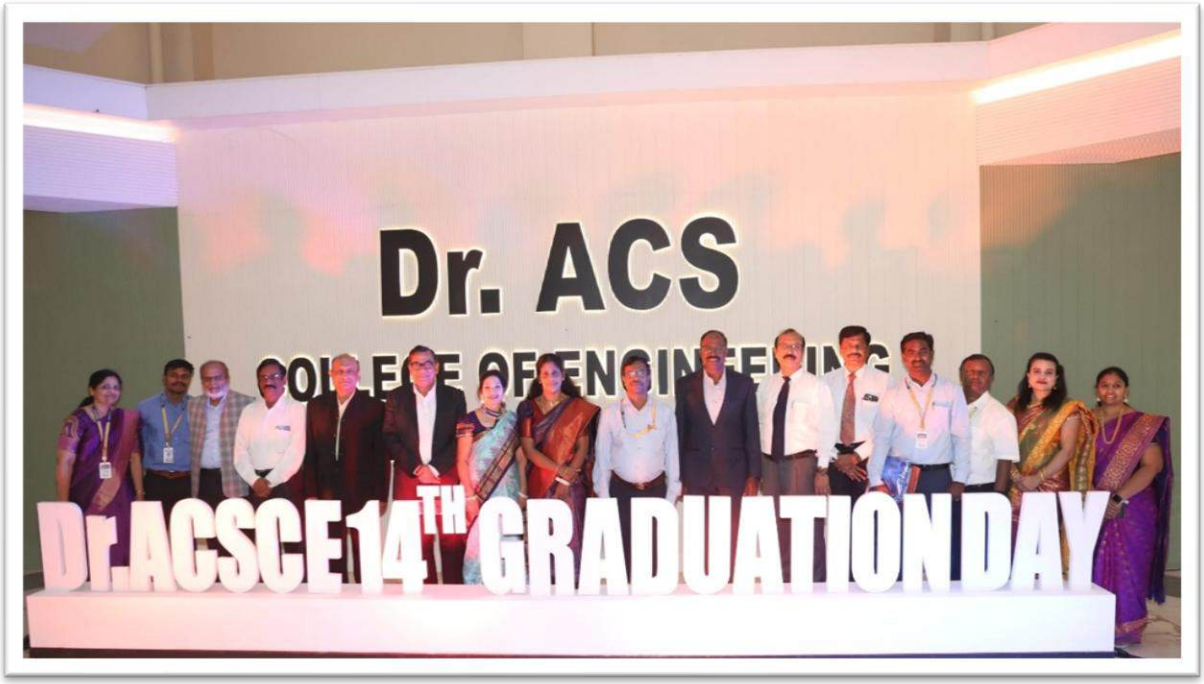

The formal ceremony concluded with the National Anthem. All the dignitaries, faculty members, students and parents stood together in respect, bringing the graduation ceremony to a dignified and patriotic conclusion.

Following the ceremony, lunch was arranged for all the graduating students, parents, dignitaries, faculty members and all other participants. The gathering provided an opportunity for everyone to interact informally, share their experiences and celebrate the achievements of the graduating batch.

The 14th Graduation Day was therefore a memorable and significant occasion for Dr. ACS College of Engineering. It successfully brought together the management, distinguished guests, faculty members, graduating students and their parents to celebrate an important milestone in the students' lives. The event not only recognized academic accomplishments but also encouraged the graduates to approach their future with confidence, integrity, innovation and a strong sense of social responsibility.

The ceremony concluded on a highly positive and inspiring note. The graduating students were encouraged to carry the values and knowledge gained from the institution into their professional lives and to become responsible professionals and citizens. The institution extended its heartfelt congratulations and best wishes to all the graduates for a successful, prosperous and fulfilling future.
